HON N. W. ROWELL CLEARLY

Bomanville, Ont. Dec. 16. Wilfrid Laurier, was delivered here a storm of aplause tonight by Hon. N. W. Rowell, Presfor Durham.

A part of Mr. Rowell's speech was devoted to a reply to Henri Bourassa's demand in Le Devoir, that Mr. Rowell should apoligize for the "Cal- ities umnious statements made at North Bay nearly a year ago on the French statements about the French speaking clergy in Quebec was that the majority of them were supporters of Mr. Bourassa in his attitude on the war, and that in the course they were pursuing they were undermining Canada's strength in the struggle. I thought so then; I think so now."

Referring to severance of political relations with Sir Wilfrid Laurier Mr. Rowell said, "The last of these st ories to which I shall refer is that th e Liberals, who entered Union Government were guilty of treason to Sir Wilfrid Laurier, and that I enterd Union Govt. because I was disappointed, because I could not take the place of Sir Wilfrid Laurier, as leader of the Liberal party in the Dominion.
