

## Department of the Secretary of State.

copper, silver, gold and other metals, minerals and ores in such form as the same may be found throughout the Dominion of Canada. (c.) To dig for, mine, crush, smelt, reduce and manufacture such metals, minerals and ores, and forward, ship, or sell the same either in crude or other form throughout the Dominion of Canada and elsewhere, and for such purposes to establish works, factories and warehouses and to operate the same. (d.) To purchase or acquire from any individual in whole or in part any business of a nature or character similar to the business which this company is authorized to carry on, as also the good will and any lands and property, privileges, rights, contracts and liabilities appertaining to any such business in whole or in part. (e.) To build, acquire, own, charter or lease, navigate and use steam and other vessels so far as may be necessary or expedient for the conveyance of the products of the company's mines or other like purposes of the company. (f.) To aid by way of bonus, gift of money, or otherwise in the construction and maintenance of a line or lines of steam or other tugs, steamboats, barges and other boats running from or to or connecting with the lands and properties of the company. (g.) To build, construct and maintain all necessary wharves and warehouses and to make, build, provide and carry on, use and work tramways to be operated by steam, electric or other power, telegraph and telephone lines, reservoirs, aqueducts, canals, dams, waterpower, roads, streets, and other works which may be found necessary or convenient for the objects of the company. (h.) To purchase and sell graphite, iron, lead, nickel, copper, silver, gold and all other metals, minerals and other ores found anywhere in the Dominion of Canada. (i.) To acquire for the purposes aforesaid or any one or more of them by purchase, location or otherwise, water leases, water privileges and water rights, and to dig ditches and canals, and to build and construct flumes, ditches, aqueducts works and any other system of water ways, and to carry water from one place to another by any means the company may deem expedient. (j.) To purchase or otherwise acquire shares, debentures and securities of other similar companies as a consideration for goods, wares, or merchandise sold to such similar companies in the ordinary course of business. (k.) To purchase or otherwise acquire any patent or patents for any invention for or relating to any of the purposes aforesaid which the company may see fit, and to sell any patent or patents acquired by them, or any rights of selling using or manufacturing thereunder respectively.

Provided that nothing herein contained shall be construed to interfere with any private rights or to confer on the said company the right of building bridges or piers or works over any navigable river in Canada, without the consent of the Governor in Council, or of erecting posts or placing their lines of telegraph or telephone upon the line of any railway without the consent of the company or parties to whom such railway belongs.

Provided also that any message in relation to the administration of justice, the arrest of criminals or the discovery or prosecution of crime, and government messages or despatches, shall always be transmitted in preference to any other message or despatch, if required by any person connected with the administration of justice, or any person thereunto authorized by any Minister of Canada.

---

Supplementary Letters Patent issued the 1st February 1896, to

“THE CAREY WIRE SEWING MACHINE COMPANY” (LIMITED).

Increasing the capital stock of the said company to the sum of \$350,000, being an addition of 1,000 shares of \$100 each to the present capital stock.
