

# ORIENTATION '67

"It's a long road to success, and 'The Travellers' have travelled it mile by mile." This is how the 'Winnipeg Free Press' sums up one of the most refreshing folk groups to emerge on the Canadian scene in the last twenty years. From a nervous beginning in 1953 they have soared to the heights of entertaining princes and queens, ministers of state -- from Russia (with love!) and back. 'The Travellers' return to thrill Fredericton audiences this September 21. They will give two performances, at 7 and 9:30 p.m., at the Playhouse. Price of admission for upperclassmen is \$2.00. See you there!

This Sunday, September 17, the cultural highlight of Frosh Week will take place. A program of artists, musicians, and entertainers will be presented at the Playhouse featuring the resident musicians of UNB -- the Duo Pach. Not only have the Pachs given Fredericton recitals, but they have also made appearances on the CBC. Under the auspices of the Canada Council they have made very successful trans-Canada tours. UNB is very fortunate to have musicians of the Pach's calibre on campus. Their performance should not be missed.

The Freshman Orientation Committee has arranged an outdoor Hootenany for tonight to be held on Buchanan Field, just down the hill from the Student Center. This aspect of the program proved successful last year, and should be thoroughly enjoyed by the Freshman this year. Local entertainment with audience participation will be featured. The program will start at 9:30 p.m., with an alternate location to be determined in case of rain.
