**BON GAULTIER'S BOOK OF BALLADS.**—By W. E. Aytoun and Theodore Martin. A new edition, including "Firmilian." Cloth, \$1.00.

In all his poems Prof. Aytoun has put forth a sustained power and beauty of expression which have placed him in the foremost rank of the poets of his time. "His Lays" have all the historic truth and force of Macaulay, expressing noble thought by a delineation of generous and lofty natures stated with fluency, vigour and movement. His ballad themes are selected from striking incidents and from stirring scenes of Scottish history, and he has thrown over them the light of an imagination at once picturesque and powerful.
