The Spiritual Christmas Tree

The
sweet
thought
of Christ,
His Love in
coming down to
earth for us, has given
us such happiness, that
we are glad to share it with the
India People, who have been waiting
so long for the Light of the World to
come. This is our Christmas Tree of LOVE
on which we place our pledge to help the
poor souls who have seen through our mission-
aries what a joyful life a Christian can live!

With
the
help
of God
we will!
