

"BLISS"

REDUCE THE PERCENTAGE OF SCRAP

IT MEANS MONEY TO YOU

The press shown is fitted with a patented stagger gauge feed which

EFFECTS A SAVING OF FROM 6% TO 15%

in the amount of stock used, over the old method of slitting and feeding strips. It eliminates slitting of sheets and allows of more rapid operation. If you wish to reduce cost of production to a minimum you need this press. Write for details.

We make a specialty of labor saving and cost reducing presses. Send samples for estimates.

"Presses For Every Purpose"
