### Bell's Double Geared Tread Powers.

For 1, 2 and 3 horses.

Every shaft is of steel and the bearings are lathe turned journals. The two large main shafts are fitted with Roller Bearings. The traveller shafts are steel, with lathe turned ends, and run clear through from side to side, thus supporting the Tread floor like a wagon axle. These are just a few of the many points that make Bell's Tread Powers the best. Let us send our illustrated catalogue—free.

**B. BELL & SON, Limited - ST. GEORGE, Ont.**

### The "STAY THERE"

**Aluminum Ear Markers** are the best. Being made of aluminum they are brighter, lighter, stronger and more durable than any other. Fit any part of the ear. Nothing to catch on feed trough or other obstacle. Your name, address and any series of numbers on each tag. Sample tag, catalogue and prices mailed free. Ask for them. Address **WILCOX & HARVEY MFG. CO.,** 104 Lake St., Chicago, Ill.

**DEHORNING STOPS LOSS.** Cattle with horns are dangerous and a constant menace to persons and other cattle. Dehorn them quickly and with slight pain with a **KEYSTONE DEHORNER** all over in minutes. Not a harsh method. Leaves a clear, clean cut. Cows give more milk; steers make better beef. Send for free booklet. **A. H. McKee, Pictou, Ontario, Can.**

### GOSSIP.

Mr. H. W. Truman, of Trumans' Pioneer Stud Farm, manager of the London, Ont., branch, writes: "I am in receipt of a cablegram from our Mr. J. H. Truman, that he has shipped us another large consignment of first-class stallions, which makes the sixth this season. They are due to arrive in New York, Feb. 4th. I am pleased to state that trade was never better than it is to-day during the 28 years that we have been importing. We have sold more stallions this year than in any preceding year. Our Canadian trade is great, selling two or three every week, and sometimes more. To-day I sold the magnificent three-year-old Belgian stallion, **Marnix (33326)**, to Mr. W. J. Lever, of Flesherston, Ont. This colt is without a doubt one of the best Belgian stallions that was ever shipped from the Old Country, and he is certain to do his owner and the farmers in that part of the country a lot of good. Although it is but about three weeks since I received a new consignment of horses, I find that I must 'tap the wire' again for more."

### INGLESIDE HEREFORDS.

The Ingleside herd of Herefords, the property of Mr. H. D. Smith, of Compton, Que., is too well known throughout the length and breadth of this continent to need introduction in these columns, for many years winning the lion's share of prizes at the leading Canadian shows, and representing the blood of England's most noted sires, such as **Rupert, Corrector, Anxiety, Grove 3rd, Horace, Assurance, Eureka, Horatius, etc.**, the bulk of the breeding cows being imported from the leading herds of England, and nearly all the rest the get of imported sires and dams. The herd at present numbers some 76 head, at the head of which is the massive, richly-bred prizewinning bull, **Bourton of Ingleside**, a son of the mighty **Mark Hanna**, a grandson of the renowned **Eureka**, and out of **Imp. Lady Bountiful**, by **Bourton**, by **Lord Wilton**. He is now four years old, has been shown ever since he was a calf, and never took second place. This great bull, and **Prince Ingleside 2nd**, a son of **Sir Horace**, by the noted bull **Corrector**, are the sires of about 20 heifers from one to two years of age, and nine bulls from six months to two years of age that are for sale; a typical lot, and under the master hand of Mr. Norton, the herdsman, are in fine condition.

### WM. SMITH'S SHORTHORNS.

Few men are better known among purebred stockmen in Canada than Mr. Wm. Smith, of Columbus, Ont., as an importer and breeder, and a first-class judge of Clydesdale horses and Shorthorn cattle. For a great many years his herd of **Wedding Gift, Strathallan, Crimson Flower** and **Kilblean Beauty** Shorthorns have held a high place among the leading herds of Canada. At present the herd represents the get of such noted sires as **Duke of Lavender (imp.)**, **Duke of Albany (imp.)**, a son of the great **Roan Gauntlet**; **Rosebery (imp.)**, a son of **Perfection**; **Bright Light**, a son of **Imp. Northern Light**; **Royal Bruce**, a son of **Imp. Royal Member**, and the present stock bull, **Imp. Ben Lomand**, bred by **F. Simmers**, sired by **Count St. Clair**, dam **Beauty 13th**, by **Lord Marshal**, granddam by **Gravesend**. He is a bull of great scale, very heavily fleshed, deep quartered, and would make it interesting in the ring with the best of them, and what is better, he is an excellent sire, his get coming thick, straight, smooth and even. Among the younger ones are about a dozen heifers that show up well, a typical lot, which are for sale; also five yearling bulls and about the same number of younger ones. The older ones are: **Meldrum**, by the present stock bull, and out of **Imp. Daviot Beauty**; a **Kilblean Beauty**, by **Craibstone**, dam by **Touchstone**; **Dundee** is by **Brooklin Boy**, dam a **Wedding Gift**; **Straththin** is by the stock bull, dam a **Strathallan-bred** cow; **Kinloss** is also by the stock bull, and out of a **Wedding Gift** bred cow; **Dalmore** is by **Brooklin Boy**, and **Wedding Gift** bred. These are an exceptionally nice lot of young bulls, of a kind not seen every day, and should soon be picked up at the prices asked. Write Mr. Smith to **Columbus P. O.**; the farm is also connected by long-distance phone.
