A KNAB IN THE WHITE HOUSE—There
was seen yesterday at Messrs. Knabe & Co's,
factory a magnificent concert grand, just
finished by them for the presidential mausoleum.
President Arthur, who is a thorough connois-
seur of music, in selecting a piano for the
White House decided in favour of the Knabe
Piano as his preference, and ordered accord-
ingly the instrument referred to. It is a
carved rosewood case, and of superb tone and
action—an instrument worthy in every res-
pect of the place it is to occupy. It was
shipped to its destination yesterday.—From
the Baltimore American.
