EPPS'S COCOA
BREAKFAST.

"By a thorough knowledge of the natural laws
which govern the operations of the digestion and
nutrition, and by careful application of the fine
properties of well-selected Cocoa, Mr. Epps has
provided our breakfast tables with a delicately
flavoured beverage which may save us many
heavy doctors' bills. It is by the judicious use of
such articles of diet that a constitution may be
gradually built up until strong enough to resist
every tendency to disease. Hundreds of subtle
maladies are floating around us ready to attack
wherever there is a weak point. We may escape
many a fatal shaft by keeping ourselves well for-
tified with pure blood and a properly nourished
frame."—Civil Service Gazette.
