A Good Projection Lantern

The Victor Projection Lantern is highly recommended by us as one of the most convenient and efficient of its kind. We have introduced it to many Sunday Schools and Churches during the past few years, and it has given uniform satisfaction. If you have the opportunity of visiting this city, we shall esteem it a pleasure to show it to you and demonstrate its many excellent features. A room for this purpose is among the facilities of this house in order that customers may be shown actual screen exhibitions of slides and lanterns in which they may be interested.

May we send you particulars and literature?
