## WHEN BABY IS CROSS

Mothers, when your baby is cross—when he cries a great deal and no amount of attention or petting cheers him—something is the matter. It is not the nature of little ones to be cross and peevish—the well child is a happy child. Give him a dose of Baby's Own Tablets and he will soon be well again. The Tablets are a mild but thorough laxative which regulate the bowels and stomach, break up colds and indigestion, relieve the other minor ills of little ones. Concerning them Mrs. Oscar Bedard, St. Catharines, writes: "Baby's Own Tablets are an excellent remedy for constipation. They relieved my little one when nothing else would and I can strongly recommend them to all mothers." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville Ont.

## Address and Presentation

On Monday evening, Feb. 23rd, the friends and neighbors of Mr. and Mrs. Hector Whitton met at their home to spend a social evening and bid them farewell before their departure for their new home in Prince Edward County. Mr. Charles Wickens was asked to act as chairman and Miss Della Empey read the following address while Mr. and Mrs. Whitton were presented with a centre table, mantel clock, bible and butter knife and the two girls each with beautiful cameo rings as a token of the esteem in which they were held by their friends. Mr. and Mrs. Whitton, Jessie and Alice:

It was with much regret that we learned of your intended removal from our neighborhood and now that the time for your final leave is almost here and we know of a certainty that you must go, we feel that we cannot say farewell until we have given expression in some tangible form to the esteem in which you are held.

Your stay in our midst, though of a comparatively short duration has been exceedingly pleasant. Your interest in the welfare of the church as well as in other activities of our neighborhood have won for you a place in our hearts which will be difficult to fill.

Our prayers go with you and our interest in your welfare will follow you to your new home, where we are sure you will find hearts just as warm as those you leave behind and friends just as loyal and true.

We are aware that he who is friendly will always have friends, and you are no exception to this rule. But this does not deter us from our endeavour to obtain some memento for you, which will be a constant reminder of happy days with the friends of the ninth concession of Murray, therefore we ask you to accept these gifts and in so doing we wish to assure you that with them there goes our best wishes for your success in your new home.

How simply fall the simple words Upon the humble heart. When friends long bound by stronger ties Are doomed by fate to part! You sadly press the hand of those Who thus in love caress you And soul responsive beats to soul In breathing out "God bless you."

"God bless you" more of love expressions Than volumes without number. Reveal we thus our trust in Him Whose eyelids never slumber. I ask in parting, no long speech Drawed out in studied measure I only ask the dear old words, So sweet, so sad, "God-bless you." Signed in behalf of your friends and neighbors,

A. Nelson, C. Wickens, Mr. and Mrs. Whitton thanked their friends and extended a friendly invitation to all to visit them in their new home. After several speeches by the ladies and gentlemen present, all joined in singing "God Be With You 'Till We Meet Again." Lunch was then served and all left for home, after bidding their friends goodbye.

A legal light naturally feels put out if the judge turns him down.

## WEDDING BELLS

HENDERSON — PRINGLE.

An interesting event took place on Wednesday, February 18th, 1920, at the home of Mr. and Mrs. Sidney Pringle, Selby, when at the hour of 1.30 about forty guests witnessed the marriage of their eldest daughter, Olive Winnifred, to James A. Henderson, son of Mr. and Mrs. Robert Henderson, Deseronto Road. While the wedding march was being played by Mrs. Ernest Waddingham, the bride, who was unattended, entered the drawing-room on the arm of her father, where Rev. Mr. Farnsworth and the groom awaited her under an arch of evergreen. The floral decorations were most ornate. The bride wore a dainty dress of ivory georgette trimmed with pink satin and pink rosebuds, also wearing the usual bridal veil of tulle, carrying a bouquet of pink carnations and fern. The groom's gift to the bride was a pearl necklace, and to the pianist a pearl set pin. While congratulations were being offered, Mrs. Waddingham presided at the piano. After the wedding luncheon was served, the bride donning her going-away attire with black picture hat and black furs, was very becoming and amid showers of confetti and good wishes of their friends they left by sleigh to catch the 4.10 train. On their return the young couple will reside on the Deseronto Road — Nanapanee Beaver.

HATCHARD — CHISHOLM.

On Feb. 25th an event of much interest to social circles took place in the vicinity of Gunter, in the municipality of Canada. The occasion being the marriage of Mr. Fred A. Hatchard of Trenton, to Miss Bertha May Chisholm, daughter of Mr. and Mrs. Hiram A. Chisholm. The marriage ceremony took place in the evening at the home of the bride's parents and was attended by about seventy guests. The Rev. M. E. Wilson, M. A. of St. Paul's church, Bancroft, being the officiating clergyman assisted by the pastor of St. Olav Rev. P. J. Pettuck. The groom, accompanied by Mr. Wm. Brinklow as groomsmen, took his place in the parlor under a tastefully constructed arch of evergreen and upon the arm of her father, leaning upon the arm of her father, took her place at his side accompanied by Miss Violet Gunter of Bancroft, as bridesmaid and Lena Brinklow and Cora Datoe were two little maids of honor. This youthful bride looked very charming and attractive, wearing a beautiful gown of ivory silk trimmed with silk braid and chiffon, with silk veil caught with flowers to match and white satin shoes. The bridesmaid also looked very charming, wearing a beautiful gown of blue georgette and satin, with decorations. The brief but impressive ceremony being over, the bride and groom, who were escorted to the dining room where sumptuous laden tables awaited them. This was followed by the signing of the marriage register and the recording in a special certificate furnished for the occasion of all the guests present. The bride's presents were very many and valuable. A most enjoyable and pleasant intercourse whiffled the evening away. The many persons present, showering their congratulations and best wishes upon the happy bride and groom, who with all the hope and buoyancy of youth have undertaken life's burdens together followed by the best wishes of all who knew them. ## Port Hope Man Ends His Life

Mr. Charles Scott, a well known resident of Port Hope, committed suicide by hanging on Sunday. He conducted a shoe repairing shop where his lifeless body was discovered. He had been in ill health for some time, and had worried over the thoughts of an operation which his physician had informed him he would have to undergo.

## Orillia Man Was Found Wounded

Orillia, March 10. — Robert Ironsides, operator at the Orillia Power Plant, at Swift Rapids, Severn River, twenty miles from here, was found dangerously wounded at the plant early today by Superintendent George Page, with bullet wounds in face, shoulder and stomach. Because of the difficulty in securing medical aid little hope is held out for his recovery. Ironsides, who lives in Orillia, is

## Loss of Strength Through Indigestion

The Stomach Can Only Do Its Work When the Blood is Rich and Red.

Indigestion means loss as well as suffering to many people. Loss of strength, loss of time and loss of money follows indigestion and debility continues as long as the indigestion remains. Workers suffer are long and often they cannot give proper time to meals. Then the appetite becomes "fickle," digestion becomes feeble and the blood becomes impoverished. So the general health suffers; languor, nervous troubles, and often sleeplessness follows. It is well to remember that the whole system relies upon good blood and that "good blood" is impossible unless the digestion is good. The stomach cannot do its work unless the blood is made rich and red, and so new blood alone can cure indigestion. It is for this reason that a remedy like Dr. Williams' Pink Pills which makes new, rich blood, cures indigestion and builds up the whole system. The great value of Dr. Williams' Pink Pills in cases of this kind is proven by the statement of Mr. R. E. Small, Wingham, Ont., who says: "The truthfulness of my statement" can be proven by scores of my friends and acquaintances. I am a glove cutter by trade and for six long years, have at times been a great sufferer from indigestion, gas causing me great pain. I would blow up at times and almost suffocate, and often when at work would be overcome by a drowsy oppression which was almost insupportable. Finally I began the use of Dr. Williams' Pink Pills, and after taking seven boxes I feel like a new man. The information they have made in me is simply remarkable, and while using them I gained thirteen pounds in weight. I may add that I began the use of Dr. Williams' Pink Pills as a result of what they did for a niece, who underwent a critical operation, and who did not regain her strength until she started using the pills. In her case they fully restored her health, and this encouraged me to begin their use, with, as I have already said, a complete restoration of health in my own case."

## Methodist Revival at Tabernacla

There was a large crowd at the Methodist Revival Meetings in the Tabernacla Church last evening and this evangelistic campaign progresses, it is expected that it will create additional interest and be productive of much good in a spiritual way. The Rev. Dr. Scott delivered the discourse last evening and took as his theme "Spiritual Certainty." It was a sermon full of earnestness and appeal that made many feel a deeper sense of their obligations to themselves and their God. The service commences at 7.45 and the meetings usually close at 9.15.

## No Abatement of Smallpox

Peterboro, March 10. — The smallpox situation in the city of Peterborough shows no abatement of the disease yet. Such was the information gleaned from the Medical Officer of Health Monday morning in answer to inquiries. He stated that eight or nine more houses were quarantined last week trying up able-bodied men and laid the blame for such occurrences entirely to the fact that people will neglect to get vaccinated in spite of all evidence as to its benefits and the necessity of it at the present time. Influenza remains about the same. New cases continue to be reported but they are generally not very serious, and the situation in so far as this disease is concerned not serious.

## Late John Dawkins

The funeral of the late John Dawkins took place yesterday afternoon from the home of his daughter, Mrs. J. G. Galloway, the Rev. Dr. Scott officiating at the residence. After the service the remains were taken to Belleville cemetery and deposited in the vault. The bearers were immediate relatives.

## The News Print Situation in Peterboro

It is Gradually Becoming A serious Proposition, Especially Between Shipments.

Peterboro, March 10. — A great deal has been read of the news print situation in Winnipeg when the papers there have had to suspend for days altogether, and at other times to run editions without carrying any advertising. At Montreal, where several papers have been compelled to suspend for almost a week awaiting newspaper shipments and at other points in the Dominion where newspapers have been badly handicapped for paper stock, in fact practically every newspaper has had difficulties at some time back and are continuing to have them. The Peterboro Examiner has a car, a month overdue and on Friday last this week's issues of the paper were very uncertain and for the next two weeks we will probably have to depend to a considerable extent on the generosity of brother newspaper men, as we have done in the past on occasions, in order that no issues will be missed. In turn we have lent paper so far in Western Ontario as Niagara Falls, when we had a surplus and it has been found that all newspapers help the other fellow out sometimes to their own inconvenience.
