Special Session of Board of Education at Simcoe Tonight

PRODUCTION OF FOOD Subject of an Address to Students

(From Our Own Correspondent) Simcoe, March 30 .- The Board of Education will hold a special meeting this evening. The term of engagement of Mr. Messmore's substitute is expiring, and it is found necessary to make further arrange-

Dr. Annie Backus, of Aylmer spoke to the students of the high and public schools yesterday after-noon at the town hall, and in the Formerly of the 133rd, now in evening delivered an able address on war gardening as a precaution against a possible shortage of the to getting the band instruments, world's supply of food and as a tents and other useful articles. measure of thrift.

As the talented speaker is billed for Brantford next week, we may add that Dr. Backus is worthy of a goodly audience. H. P. Innes, K.C., precided as challenges the proposition of the material will, it is said, be of no value for militia work on the former basis. The field kitchens bought on the advice of a local seer in opposition to the instructions from the milities. presided as chairman at both meetings. Mayor Williamson followed the speaker of the evening in a ment is considered at present sir junk, though practically unused.

There is a definite sentiment chairman, he favored gardening in both home and vacant lots, but thought that the members of the council, all busy men, had quite has had a band. public duties already assumed. He County Sunday School Association was glad that the I. O. D. E. had met here today. The secretary, Mr. taken the initiative, and was sure Innes and President Shearer were there would be effective work done, recognized as of that body. but thought that the Board of Education should assume the direction ed advice that her husband has reof the matter.

Mrs. Langford, when called upon might be a wise move. Rev. A. B. Farney agreed, and assured the audience that the rectory acreage dealy, and get the news while it is news. would yield an abundant harvest in news.

Mr E. F. Neff offered the services of the department of agriculture in the way of literature. It was finally agreed that Mr. Neff undertake to arrange for a combined meeting of I. O. D. E., Boar dof Education, school teachers and council, with a view to working out an organization. One speaker stated emphatically that there was no lack of men o leisure in town, thoroughly capable of giving advice as to the preparation of vacant land for crops, and the crops for which each lot in its present condition is best adapted.

Another meeting will doubtless be held presently at the call of Mr

Annual Meeting Officers 39th Regt. The annual meeting of the officers of the 39th militia regiment was held today at the drill hall. There were present Lieut.-Col. J. T. Town-send, Lieut.-Col. L.F. Aiken, Capt. Sthler, Lieuts. C. Blayney, S. Buck, W. G. Jackson. The most of the other officers are overseas. It was W. G. Jackson. The most of the other officers are overseas. It was a rather sober meeting. The mass of county equipment returned from the defunct 133rd was looked over and a committee was appointed to interview the county council with a view

The Annual meeting of the Brant County Historical Society was held in the Public Library yesterday afternoon when reports for the past year were submitted and officers elected for the year 1917-18.

The Secretary's report which was submitted by the Rev. J. W. Gordon outlined the work that had been accomplished during the previous respective during the previous county.

The Annual meeting of the Brant

complished during the past year and n progress for the coming twelve in progress for the coming twelve months. Definite steps had been taken for the proper classification and re-arrangement of the contents of the museum, a step that was advisable and necessary. Various committees have also been appointed to secure information and manuscripts relative to the history of Brant County. An attempt will be made to obtain photographs and biographical sketches of all Brant County soldiers who have made the supreme sacrifice. The memory of Norman Duncan will also be perpetuated in me appropriate manner. As re ards the future, mention was made n the secretary's report of a very iteresting feature of the meetings or the coming year, when distinguished public men will be invited address public meetings of the society. The most important work ac-

complished during the year was the erection of a memorial tablet in honor of the famous Indian poetess Miss
Pauline Johnson. The tablet was
described as a work of art and a reflection of great credit upon those
who had been responsible for its
preparation, Messrs S. F. Passmore
and His Honor Indea Herdin and His Honor Judge Hardy, to whom the thanks of the society was tendered for their work in the
