## Waterdown Drug Store

Since the fire in our old stand last month we have been continuing business under considerable difficulties through lack of stock (which has been very hard to purchase promptly, owing to the unusual market conditions and general shortage of goods) and disability to locate goods promptly in store, all of which at times has made it difficult to supply our customers promptly. We are getting in

daily and have practically replaced all Drugs and Chemicals. Our customers may for some little time yet be occasionally dissatisfied, through us not having some odd article, the absence of which we have not known until call comes, and search fails to locate.

### Our Business

has been large and above average during the past month, and we wish to thank the customers who have loyally dealt at home, and patiently excused us for the lack of our usual Good Service.

We have not as yet been able to conduct any of our Popular Special Price Sales. Watch this space for some very interesting price announcements in the near future.

Now is the season for getting ready to remember the Waterdown Boys overseas with Xmas Gifts. Our lines of such goods are numerous, of best quality, and at prices which will surely save you money.

### Letters from the Front

Letters from Our Boys Who Are Fighting for Us

Brighton, Sussex, Oct. 17, '18.  
Dear Friend—  
I guess you will think I am never going to write you again, but really it is nothing like that. I wrote Bob a few days ago and told him I had heard from you and that yours was one of dozens I had to answer. I know we are awfully neglectful, but really we don't mean anything by it. Perhaps you find Bob almost the same at times.

It seems a long time since I have written you that I believe I have seen Stanley since. In fact, I saw him more than once, the first time Bob and I took a walk to the camp he was in when he first arrived in England. I believe it was a Sunday afternoon and the perspiration just ran off us. Shortly after Stan came up to within a stone's throw of us, and we ran across Austin Tudor besides. They used to come over to my hut for a chat quite often before I went back to France. Once in a while we would go into a restaurant, have a feed and talk over old times.

Tudor went out to France about the same time as I went back. He came to see me a few days before I was wounded, being in the 14th Battalion and the same brigade, he did not have very far to go.

Did you know I had been back to France? I guess nobody knew. I made my mind up so soon and got out on the double, but they did not seem to keep me very long before old Fritz got me. No crooked arms this time, he thought he would try another place, so he sniped me right through the right chest and out my back. I was hit on Sept. 27th and have been in bed ever since and even now there are no possible hopes of me getting up for a while yet; if a fellow was sick you would not mind, but I am as right as ever I was. The specialist says my chest has switched around to the right and I have to stay in bed till it comes back again. Some joke, what do you say? I asked him how long it would be before I was fit again and he said months, so after I get out of bed I may have a chance to make Canada. I wonder what it would be like to be back in old Waterdown again with all my friends.

I had a letter from Mrs. Cook, which I must answer, as it is an age since I wrote her.

Well, I will have to close for this time, so hoping to hear from you soon. Remember me to all at Waterdown.

I remain,  
Your sincere friend,

GEORGE TAYLOR.

England, Sept. 26, 1918.

Dear Mother:  
A few more lines in answer to your most welcome letter which I have just received and was glad to here you all were well.

I am feeling quite well again but I expect to be here for two weeks anyway, then I expect to be transferred to Seaford, Sussex. We are having very fine weather here now.

I had a letter from Walker Mc Gregor a few days ago. He said Sam Cook was in the same hospital with him. I have been in this hospital three weeks tomorrow. Roy Mc Lenithan is one of the officers who gets us ready for physical drill. He was surprised to see me.

There are a lot of Canadian casualties in this hospital. We sure have some times here, there are three of us who sleep side by side and we often have pillow fights; talk about your sham fights, we have them here alright, they are certainly a nice bunch of boys.

### SUNDAY SCHOOLS OF CANADA

UNITE TO HELP

### VICTORY LOAN

BY WAR MEMORIAL

ONE MILLION SCHOLARS!  
ONE MILLION DOLLARS!

A million Sunday School scholars and members of Young People's Associations of the Anglican, Presbyterian, Baptist, Methodist and Congregational Churches are co-operating on a plan which has the three-fold purpose of helping to boost the Victory Loan Over the Top; assisting the Churches to extend their mission work, and commemorating the heroism of church members who have fallen at the Front.

"Every School at least one bond" is the cry that will help to carry the 1918 Victory Loan to the Sunday School's million dollar objective. Above is a reproduction of the shield to be presented to each Sunday School subscribing a bond.

We are having a concert tonight in the Y. M. C. A. Hut. They sure get up some good concerts here. I received the money and the box you sent and was glad to get them, also the photos that Annie sent.

Well I expect to get a leave soon now. I guess I have told you all the news, they will soon be calling for supper so I will close now with kind regards to all. I am your loving son.

TOM.

BANKS WILL HELP SMALL INVESTORS

It is announced that, in order to encourage investors to participate in the 1918 Victory Loan, the banks will lend subscribers, on the probable certainty of repayment within a year, up to 90 per cent. of the amount of the investment in the Loan. The rate of interest charged by the banks is 5½ per cent.

This should have the effect of greatly stimulating the flow of money. Many people who were anxious to do their bit towards supporting the boys at the front were unfortunately restricted as to the amount they had available for investment, having immediate or future obligations which called for their ready capital. It is such as these that the banks are ready to help. On reasonable security these intending investors may receive the cash from the bank at the same rate of interest the Dominion Government pays for the entire 1918 Victory Loan. They may reduce their obligations to the banks monthly or quarterly.

The banks will also accept from small investors for safe keeping without charge the interim securities and later the bonds themselves up to a reasonable amount, for the term of one year.

### Farmers of Canada Have Much at Stake In the Victory Loan

Money From Loan Needed to Finance Exports of Farm Products to Britain.

The Canadian farmer stands to gain or lose much through the success or failure of the Victory Loan. He is much more dependent on it for the ready sale of his products than has generally been realized. Some there are, even to-day, who fail to grasp the facts of the situation. It is a mistaken idea that all a farmer has to do these days is to raise grain, cattle, hogs; or produce cheese, butter or eggs and he is sure to find a ready market at high cash prices. A keen demand for these

Vice-chairman of the Dominion Victory Loan Committee, and a strong leader in the campaign.

products, of course, exists, and Great Britain will take all of them that Canada has to spare; but the demands of the war have been so heavy that she cannot pay cash for all these things. She must have credit. It is here that the Dominion Government steps in, and provides the cash, obtaining the necessary funds through the Victory Loan.

The farmers should be as enthusiastic over the Victory Loan campaign as any other class. If it is not a decided success they stand to lose heavily. But if they subscribe to it liberally and endeavor to get others to do so, its complete success is assured.

PRAIRIE FARMERS' EXAMPLE.

Saskatchewan, which is almost a purely agricultural province, has given a splendid lead to the rest of the Dominion. Owing to the crop failure in several of the districts, the allotment for the Province in the Victory Loan drive was placed at \$15,000,000. Recently those in charge of the provincial organization said that they would not think of getting less than \$22,000,000.

BONDS OR BONDAGE.

### Canadians at Home Must Do Their Utmost

It Is For Them to Demonstrate That the Spirit of the Boys Over There Exists at Home.

Canadians at home must do their utmost in the Victory Loan drive, for the boys in France are looking on. These brave fellows, the pride of the British Army, who have carried all before them during the last three months, must not be disappointed in the folks at home. It must be demonstrated to them that the spirit exhibited in the front line, is to be found also on the home front.

There is no problem confronting Canada to-day, or likely to confront her in the future, which Canadians cannot solve, if they put their minds to it. There is no task for them too difficult. But, while everybody believes this, there is no use talking about it, unless the Victory Loan is put over. It will be, for it must be.

Don't allow Canada's last Victory Loan to be a Failure.
