Conditions on That Creek Are Satisfactory-Black Eye Has Disappeared.

Mr. Ronald Morrison of No. 36 above on Sulphur is in Dawson for a few days, this being his first trip to town for several months. Mr. Morrison is one of the best known of the early Klondike pioneers, having been associated with Alex McDonald in Healey, Mary Thomas, Rev. Father the latter's early day mining experiences in this country.

Questioned this afternoon as to the outlook for Sulphur creek Mr. Morrison stated that conditions are constantly improving and the creek getting better as time elapses.
