The Brazil Lake cor. to Yarmouth Light says: Mr. Raymond Crosby of the D. A. Ry., Kentville, spent several days last week at his home here, His little son Dean accompanied him home, having spent several weeks at Kentville.

There samples of work children of a century later. Another special lon will be an exhibit nome canned vegetables, fruits, fish, etc., put up by the network of fieers and men. The price of The Family Herald is now \$1.25 a year, a smaller ingrease than was expected, and with the map given with each subscription it is cheaper than last year. The map alone would cost as much. Paper and map are given to both new and renewal subscriptions at \$1.25 a year, but the map cannot be secured otherwise. The Family Herald is the greatest family and farm paper on the Continent and a great credit to Canada.

A party of fourteen recruits arrive.

Reply To the Church Wardens, Vestry, and other parishloners of St. James' Church, Kentville: Dear Brethren: LAWN MOWERS

Work done promptly and Satisfaction guaranteed

James' Church, Kentville:

Dear Brethren:

The Address which you have been pleased to present to me and so generally signed by church wardens, vestry and 122 other parishioners is received and accepted with profound appreciation of the kind words you have expressed concerning the spiritual and temporal work I have, under God, been enabled to do in the Parish of St. James' during the five and a half years I have been with you as your Rector.

On behalf of Mrs. Mellor I wish to thank you for your loving words to her and to all of us in the trying hours of sorrow and bereavement through which we have lately passed.

Such thoughtful attention increases the bonds of friendship which have been formed while we have labored together as pastor and people.

I pray God may abundantly bless and guide you in the important work which lies before you, and that He may shower upon you all, as a Church and people, the riches of His Grace.

Yours very faithfully,

T. C. MELLOR, ILLSLEY & HARVEY COMPANY LTD., **PORT WILLIAMS**
