## THE LEADER GIVES ALL THE NEWS OF THE PROVINCE

**GRENFELL, June 26.**—Grenfell won out in a league baseball match here this evening by a score of six runs to four. It was one of the best games in the league this season, the quality of ball being highly estimated. Channey Moore pitched for Indian Head and Swindell for the visitors. Grenfell scored three runs in the first inning, then the home boys tied in their third. After that there were no more runs until Grenfell's eighth, when both Plien and W. Dunlop reached home. In the eighth Swindell scored another run for the visitors. This win puts Grenfell at the top of the league, and gives her almost a clinch on the cup for this season.

Louis Phillips, of Pense, and Miss Mamie Kerr were married to day at the home of the bride's parents, Mr. and Mrs. William Kerr, by Rev. F. Wootton. The happy pair left on the evening local for their home in Pense, where Mr. Phillips has a successful harness and saddlery business.

**ST. JOHN, June 26.**—A sensation was caused today at the inquest at Colons Island on the burning of the "Crystal Stream," by the testimony of Mrs. May Coleman, the cook on the steamer. She said she was in fear of her life, and this was chiefly because Mrs.

Chase, the stewardess, had told her that vengeance against the "Crystal Stream" had been threatened, if it took ten years. She thought that Captain G. H. Perry, on the steamer "Aberdeen," who formerly was on the "Crystal Stream," was the one meant as having threatened.

WINNIPEG, June 26.—It is stated on apparently good authority that W. McLeod, the chief engineer of the Canadian Northern Railway, will be made manager of the road in succession to E. A. James, who recently resigned. Mr. McLeod is a thoroughly practical railway man, who has doubled the possibilities of southern Alberta making a success of winter wheat. There is the greatest optimism and confidence among all interested. It will be a banner year for this country beyond a doubt.

**CALGARY, June 28.**—The beef commission at Gleichen the testimony all went to show that there is no such thing as a free lunch. The commission says that there will be a very warm session at Winnipeg as they are gathering increasing numbers all along the line against certain firms.

## News of the World

### ALBERTA

**CALGARY, June 25.**—From the present prospects the farmers of southern Alberta will come into their own this year. Never in the history of this province has the growth been so great and conditions so promising at this season of the year. The rain of last week combined with the very warm weather of the latter part of the week and the present week has rendered conditions from the farm to the city. A. Burnett, Nanton, winter wheat has been gathered 3 feet 3 inches in height, and was not selected but was taken from the bunch. It is not much better than may be found in the entire southern part of Alberta. This season will be an eye opener to the people who still doubt the possibilities of southern Alberta making a success of winter wheat. There is the greatest optimism and confidence among all interested. It will be a banner year for this country beyond a doubt.

**CALGARY, June 28.**—The beef commission at Gleichen the testimony all went to show that there is no such thing as a free lunch. The commission says that there will be a very warm session at Winnipeg as they are gathering increasing numbers all along the line against certain firms.
