The day named is the only one on which the services of Prof. Robertson could be obtained; hence the short notice. We hope all those interested in the success of the meeting will give it all the publicity possible, as well as come out to it themselves, as many interesting topics will be presented by the able staff of speakers whose names appear on the programme.

We cannot be everywhere to find out everything that is going on, and therefore earnestly request our friends assist us in this important matter.
