But strengthen these same weak inside nerves with Dr. Sloop's Restorative, and then see how quickly health will again return. Weak Heart and Kidney nerves can also be strengthened with the Restorative, where Heart pains, palpitation, or Kidney weakness is found. Don't drug the Stomach, nor stimulate the Heart or Kidneys. That is wrong. Go to the cause of these ailments. Strengthen these weak inside nerves with Dr. Sloop's Restorative and get well. A simple, single test will surely tell. For sale by All Dealers.
