LACROSSE

AN OTTAWA LETTER.

There is a story that Hogan, of the Shamrocks was offered \$25 a week to play in Chatham. Now Hogan is one of the very best men the Shamrocks have and had he cared to wander could doubtless have gone on to the Brantford team where it is said many of the men have as much as \$25 a week to spend on this or that boy. Hogan, playing third out would have just filled a weak spot on the Brantford team. Brantford knew the position to be weak, but were unable to strengthen it. Some time ago they wanted to move Powers out and put Alf Smith at inside home, but the Ottawa man had business engagements which prevented his accepting the offer to go west.—Ottawa Journal.
