## IMPORTANT

ON account of the advancing price of wool we placed very large orders for Spring and Summer Wool Dress Goods and Mantle Cloths for the Spring and Summer Trade, and having purchased in the best market and on the most favorable terms for cash, we are prepared to show persons who do their trading in Amherst that they lose money by going away from home. In fact many persons who have seen the Amherst stocks this season tell us we are leading in variety, quality and price.

### HEADQUARTERS.

Having taken special care to select good value and fast colors in Prints and Ginghams, we feel confident you will get satisfaction by buying these goods from us this season. Do not buy CHEAP PRINTS. They are not worth making up. We do not keep them. Buy a good article, pay a fair price for it, and your time and money will not be wasted.

### MILLINERY.

If the weather continues FINE AND WARM OUR Grand Opening of New Hats and Millinery will take place on Friday and Satweek.

Dr. J. W. Sangster, Dentist, will be in Baie Verte, on April 22nd, to remain one week. this week. The finest assortment of French Millinery ever displayed here. We thank our many Millinery customers of last season, and trust that with a much finer stock and increased facilities we will receive a still larger portion of the trade this season. All orders left with us will receive the careful and prompt attention of our Milliner.

### REQUISITION.

WE ARE OPENING THIS WEEK:

Jubilee Striped Dress Goods.

—Colonel Goldie, the officer sent out by the British War Office to purchase horses for the Imperial Army, arrived at Ottawa on Friday. He states that the horses bought in Canada for army purposes last year have given satisfaction. English horse dealers travelled long distances to inspect the Canadian shipments on their arrival, and if the quality of the animals sent over keeps good, he believes it will lead to a general horse trade with England besides those sent over for military purposes. Three hundred horses are required this year,

### Free Trade.

The reduction of internal revenue and the taking off of revenue stamps from Proprietary Medicines, no doubt has ingrely benefitted the consumers, as well as relieving the burden of home manufacturers. Especially is this the case with the rean's August Flower and Boschee's German Symp, as the reduction of thirty-action of the control o bease the size of the bottles containing these remedies, thereby giving one-fifth more medicine in the 75 cent size. The dagust Flower for Dyspepsia and Liver complaint, and the German Syruy for Cough and Lung troubles, have perhaps, the stagest sale of any medicines. In the world. The advantage of increased size of the bottles will be greatly appreciated by the sick and afflicted, in every town and village in civilized countries. Sample bottles for 10 cents remain the same size.
