CHANGES IN CITY OFFICES.

Rumor That There May be Overhauling in Several Departments.

Ald. McGinn May be Offered

New Regulations and Perhaps New Officers for Police Department.

The two steel spans of the Highway Bridge have been swung and Superintendent Grant and the other employees of the Canada Foundry Company are not worrying any further as to the time when the ice will move bridge will move. The ironwork is still to be rivetted and part of this work was commenced today.

Mr. Grant and his men are now engaged to have this work finished will work was commenced today.

A crew of men in charge of Benjamin Haines are building approaches from the old bridge to the new spans, the floor of the new spans being three feet seven inches above the floor of the old bridge.

Superintendent Grant has already got part of the false work underneath the two spans taken out. It is part of his contract to get this false work out of the way shlhough the material belongs or the Department of Fublic Work was thought the material belongs or the Department of Fublic Work was beling to the reversible of the sidewalk to be erected and the steel bracket. The walk will be nine inches above the new roadway which is to be crowned at the centre.

25 WILL BE CONFIRMED.

His Lordship Bishop Kingdon Will Officiate at Parish Church is to be crowned at the centre.

25 WILL BE CONFIRMED.
