BOARD OF HEALTH
IN QUEENS COUNTY

After Considerable Argument
Two Inspectors Were Appointed for County

Gagetown, June 25.—The annual meeting of the sub-district Board of Health of the Municipality of Queen's County was held on Saturday afternoon in the Court House. Dr. Roberts, Minister of Health, Dr. William Warwick, and Dr. G. C. Melvin, were present, besides H. B. Bridges, provincial representative, Miss Ruth M. Crawford, secretary-treasurer, and the four representatives of the Queen's County Council, G. Bayard Shipp, Hampstead; R. H. Weston, Gagetown; Andrew L. Gunter, Cambridge; and E. J. M. Akerley, Wickham.

Dr. Roberts, who was the chief speaker of the afternoon, went into the workings of the Health Act in Queen's County, and Dr. Melvin spoke for some time on the legal aspects of the Health Act. It was mentioned that by the assistance of the Rockefeller Foundation, there were special physicians appointed to make a medical inspection of the schools, thus being able to give the work more time than a busy practitioner could do. H. B. Bridges, of Gagetown, who is appointed to the board by the provincial government and serves without salary, was also a speaker.

One of the council, who had been complaining of the expenses of running the Board of Health created some diversion by demanding a salary for his services.

After considerable argument on the matter of inspectors, two were appointed for the county: Benjamin P. Norritt, of Queenstown, to act on this side of the river, and Cecil Farris, of Cambridge, on the other side of the county.

FUNERALS

Late Miss Bessie McDonald.
Parker's Ridge, June 25.—The funeral of the late Bessie McDonald took place Friday afternoon from her home at Parker's Ridge and was very largely attended, people coming from all parts to pay the last tribute to one who was beloved by all. She leaves to mourn her father and mother and six brothers, all of this place, and two sisters, Mrs. Murray McLasky, of Buxton, and Mrs. Harvey Spencer, of Hamor, Mo. The funeral service was conducted by Rev. J. S. Guggis and Rev. Mr. Seeley and the Baptist choir sang the following hymns: We Shall See Him Face to Face, Nearer My God to Thee, Will the Circle Be Unbroken, and Does Jesus Care. The flowers were numerous and beautiful and as follows: Broken circle from the family; pillow of roses, the nursing staff of the Wentworth Hospital, Dover, N. H.; basket of sweet peas, Misses Alice and Grace Preece, Marysville; wreath, Mr. and Mrs. Frank Easty, Fredericton. The pall bearers were Ward, John and Scott McDonald, Sidwell Clements and Lloyd Smith. The remains were tenderly laid to rest in Parker's Ridge cemetery.

AMALGAMATION OF
WARRING UNIONS

Boston, Mass., June 27.—Possible amalgamation of the two warring unions of telephone operators in Greater Boston, one of which called a strike yesterday morning while the other kept its membership work, was indicated last night by strike leaders at the close of a meeting in Tremont Temple. It was stated unofficially that leaders of the two factions had reached an agreement, but details were withheld.

Quality Plus

When you buy King Cole Tea you expect quality. But you also look for something more—for a certain taste that is pleasant to you, and that will be repeated in every cup you make. The quality is produced in Nature's Garden; but the taste is the outcome of expert blending which gives King Cole its characteristic rich flavor—the flavor you like. Is it not worth much to have your cup of tea always—as you like it?

"You'll Like the Flavor."

At a time like this who cares about adjustment?

The most liberal tire adjustment is poor compensation for the inconvenience and annoyance, the lost pleasure of your trip, caused by a tire faulty in construction or materials.

The car owner who best appreciates the dependability of Dominion Tires is the one who has had most tire trouble on the road.

When you buy tires you want dependability rather than adjustments.

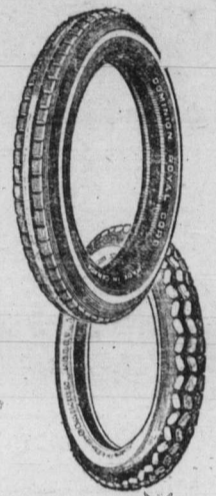

It is a fact that in Dominion Tires you get the greatest dependability that can be put into a tire. This extra dependability is an extra value which costs nothing.
