

Clerical Wheelmen's Canadian Tour.

About forty ministers are to unite in August in a tour of three weeks in Canada. The tour has been projected and arranged for by Rev. Sylvanus Stoll, of Lancaster, Pa., all the clerical men in the United States and Canada, of whom there are about three hundred, are invited to join.

Mr. Stoll has prepared a neat little pamphlet of twenty pages, giving all the details of baggage, costume, signals, etc., from which we give a sketch of the tour in the neighborhood.

The visitors will run through a beautiful country, for four days, and arrive in the city of London on Saturday, August 8th. The programme then goes on to say:— Sunday will be spent in London as is suggested in the Decalogue, and the party will attend church, morning and evening, in a body, wearing full bicycling costume.

Monday an early start will be taken for the longest day's ride of the tour. Sixty-six miles of the most perfect road in America, with easy grades, fine prospects, and beautiful views of the country.

Wednesday with an early start from the British Exchange hotel, the tourists will speed away to the southeast, over a road road, through one of the richest agricultural sections of Canada. At Seaford a visit will be made to Stapleton's Salt Works, and after dinner the journey will lead to Stratford, a railroad and commercial centre.

Teachers in Convention. The teachers of the county, to the number of over two hundred, met in Clinton last week, to discuss matters pertaining to the profession, and to transact business relating to the county association.

Mr. Duff then gave the annual address, taking for his subject "The better education of farmers' sons," pointing out the advance of education among the agriculturists, but urging a still further acceptance of the advantages within their reach, if they would occupy that position which their wealth and numbers entitled them to.

A vote of thanks was tendered Mr. Duff. The secretary then read the financial report, which was adopted. Mr. Linklater, of Clinton Model School, took up the subject of "Language lessons," showing with a class his method of teaching the use of new words. The exercise was full of point from beginning to end. Mr. Linklater was also tendered the thanks of the Association.

WEST HURON.

The West Huron Teachers' Association met in Clinton Model School, on June 18th, at 1.30 p.m.; the President in the chair. Messrs. Baird, Gregory and Crossweller were appointed a business committee.

Mr. Brown read a valuable paper on "The object of teachers' institutes," and was accorded a hearty vote of thanks for it. A circular, with reference to the minutes of the Ontario Teachers' Association, was read, and the following motion carried: That each member of the Association be furnished with a copy of last year's minutes of the Ontario Teachers' Association, free, non members on payment of 10 cents.

Mr. Brown was elected delegate to the Provincial Association. The time and place of next meeting was left in the hands of the Executive. After a profitable and agreeable session, the Association adjourned till called by the Executive.

GENERAL ASSOCIATION. A general meeting of the teachers of the county was held in the town hall, on Friday morning, Mr. Malloch, President of the North Huron Teachers' Association, presiding; Mr. Halls, of Goderich, occupied the chair of secretary.

After a few introductory remarks, the President introduced Mr. Tilley, Assistant Director of Teachers' Institutes and Inspector of Model Schools. Mr. Tilley opened his address with a few remarks explanatory of the action of the Minister of Education, in the appointment of Directors of Teachers' Institutes. He then took up the subject of "Composition," in an address of upwards of an hour.

Mr. Hurlstone, of Clinton, then introduced a class of little girls, in a series of Kindergarten songs, which were particularly creditable to Miss Simpson and her class.

Mr. Duff, of Roxboro, took up the subject of "Uniform promotion examinations," urging different reasons for and against their adoption in the county. This subject brought forth any amount of discussion, indulged in by Messrs. Brown, Groves, Henderson, (Goderich) McClung, (Ashfield) Perrin, (Winthrop) March, (Holmesville) Inspector Miller, Tilley and Gregory, (Exeter).

Mr. Harstone moved the adoption of a resolution providing for the introduction of uniform promotion for this county, commencing with 1886. This motion, on a standing vote, was lost. Inspector Miller then discussed in a very concise manner the changes which have recently been made in the school law. Mr. Miller was, at the conclusion, besieged with a host of questions, propounded by Messrs. T. W. Sloan, McFaul, McClung, McIntosh and Groves.

COMMUNICATIONS.

We do not hold ourselves responsible for the opinions of our correspondents. Contributions to this department must contain those points to public questions, and be brief.

To the Editor of The Huron Signal. It is true that a number of the town councilors and other citizens of this town did a few Sundays past, get and take out with them to the Falls Reserve of Mr. Samuel Platt, a large quantity of bottled ale, together with some whiskey, and that some of them became intoxicated, especially one of the councilors!

Mr. Dryden, of Galt, is spending a few days of recreation with Miss Martha McDoch. Our esteemed blacksmith and family visited friends in the village of Ripley last week.

Mr. Campbell, P.S.I., made an official visit to our burg last week, and seemed much pleased with the school. While Mrs. F. McInnis was getting getting from a rig at Hamilton's appointment, 2nd con. of Huron, on Sunday last, her dress caught in the springs of the seat, giving her a very painful tumble. She was unconscious for some time, but afterwards gradually recovered. Her many friends are pleased to see her around again.

Mr. Raiton visited friends in Goderich last week. There will be a communion service in the Presbyterian church, here, on the first Sunday in July. Wild strawberries never yielded better than this year.

Mr. Thomas Gledhill is on a visit to friends in Reed City, Mich. Mr. Jacob Flick is visiting at her daughter's, near Sebringville. Rev. F. Meyer is attending camp meeting at Hamburg this week.

Mr. Habel, who owns and operates the lime works on the Maitland, is doing a good business. We are sorry to learn that R. Walters, Jr., is very low with an attack of inflammation of the lungs.

Mr. and Mrs. James Long have returned from a visit to friends in Paisley. Mr. L. reports crops in Bruce county as very bad. Isaac Fisher has nearly completed his new workshop, and intends to rush business in his line again.

The engine, boiler and tanks of Londonborough cheese factory has been purchased by Mr. Jesse Gledhill who intends improving his dyeing facilities. Last Tuesday, while Wm. Walters, Jr., was at Mr. Wm. Ferguson's barn raising, he fell from the building, a distance of about ten feet, and broke his arm near the wrist.

Mr. Michael Schwann has been visiting friends in Listowel. Charles Killey has put up a fine building intended for a driving shed.
