Dooley's Sunday Newspaper.

Editor: Evening Telegram.

Dear Sir—The people of this city and of this country who are lovers of good order and who repair to their several places of worship in a decent, quiet manner on Sabbath days have surely not forgotten the outrage committed by Mr. Dooley when he started his Sunday paper supported by Government patronage. I am not aware that any Government that ever existed attempted such a thing here before. When the bells of the several churches were ringing out the call to their respective congregations Dooley's boys were on the streets calling for the sale of his paper and that issue was carrying upon its face the support of the Morris-Morison Government in departmental advertisements, and doubtless it would have gone on unceasingly had not outraged public feeling protested against it. And the same Government that authorized the patronage of the vile sheet is the very same that now asks for a further day of grace and the renewed support of the people—yes, the very same Government that would have

Overturned the Usages of the Centuries

and broken down law and order and laid us open to the reproach of uncivilized communities—the Government that would have plunged the youth of this city into moral ruin—into every evil that comes from Sabbath desecration, this is the Government that is now on hands and knees begging the people for a renewed lease of power. Will they grant it? Not if the voices of the fathers and mothers throughout the Island can be heard. This is not a sectarian cry—not a cry of "godless schools," not that by any means. It is the cry of moral protection for the community—the backing up, so far as possible, by legal and moral restraint, the solemn and necessary advice given from Sunday to Sunday from the pulpits of the different churches throughout the land. If you want a Sabbath-desecrating Government support the Morris-Morison Government, but if otherwise disposed say no when they appeal to you.

Mother! If Child's Tongue Is Coated

If cross, feverish, constipated, bilious, stomach sour, give "California Syrup of Figs."

A laxative to-day saves a sick child to-morrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish; stomach sour.

Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is oftentimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company." Don't be fooled!

TOURIST TRAFFIC.—As the summer season is practically over, there is a slackening off in the tourist traffic. There are only a few round-trippers on the Red Cross liner Stephano, due here to-morrow night from New York and Halifax.

Cured Diseases of the Kidneys

And is Depended On to Right Stomach and Liver Disorders.

Once Dr. Chase's Kidney-Liver Pills are introduced into the family and their efficiency becomes known they are usually found too valuable to do without. For everyday ills arising from liver and bowel disorders they bring relief promptly, and when complicated diseases of the kidneys and liver develop they often prove a successful cure after doctors have failed. As an illustration, you may read the following, which was received a few days ago:

Mrs. John Wright, 53 McGee street, Toronto, Ont., states: "We have used Dr. Chase's Kidney-Liver Pills for ten years, and would not be without them. My husband suffered from kidney trouble, and after taking treatment from several doctors without receiving any benefit, tried Dr. Chase's Kidney-Liver Pills, which worked a complete cure. Since that time we have used them for all stomach and liver disorders."
