The Army and Navy Sports.

A favourable change in the weather made possible the Army and Navy Sports at St. George's Field yesterday afternoon and contributed not a little to their success. There was a large attendance and consequently large proceeds, which will be given to the W. P. A. The organization and arrangement of the sports were the work of the committee of both services, consisting of petty officers and N. C. O.'s. The refreshment tents, which did much to swell the total, were under the supervision of Mrs. MacDermott, who had the assistance of several other ladies. Another attraction was provided by the bands of the Church Lads' Brigade and the Catholic Cadet Corps, which played selections during the afternoon.

The sports were held under the patronage of His Excellency the Governor, who, with Lady Davidson, was present. Sir W. H. and Lady Horwood, Commander MacDermott and Officers of H.M.S. Briton, Sir Joseph Outerbridge, Hon. J. R. Bennett and other prominent citizens were also present. The program was as follows: Flat Race; Obstacle Race, Army only; Three-legged Race; Skipping Rope Race; Sack Race, Army only; First Aid Race; Wheelbarrow Race; Attack Race, Army only; Red Cross Race; Sack Race, Army only; Alert Race, Navy only; Tug-of-War, Army and Navy; Obstacle Race, Army and Navy. The various items were all of a military or naval character and many of them unique to the interested and amused spectators. The most closely contested event of the day was the Tug-of-War, which was only won by the Army after the teams had twice changed places. The prizes donated by Mr. J. S. Munn and consisting of pipes, cigarettes and tobacco, were presented by the Governor at the close of the programme. The sports were a success in every way and reflected great credit upon the originality and 'savoir faire' of the organizers. It is expected that the net returns will be large.

A little cold may not seem a dangerous thing—you may feel inclined to let it go on hoping that to-morrow it will be better—but can you afford to take chances?
