## A New Thrill For Blaze Motorists

Driving a Willys-Knight is a greater enjoyment than the novelty of your first motor car.

It registers an altogether new and different motoring experience.

While many engines perform well when new, the Willys-Knight retains its maximum efficiency, in fact grows better with use.

Can you conceive of a greater boon? It explains why the passive tolerance of many motorists has been changed into active enthusiasm by the Willys-Knight.

One veteran motorist says his car glides as smoothly and evenly as though there were a vacuum in front of the radiator instead of the powerful and faithful Willys-Knight engine back of it.

Begin now to enjoy the engine advantages obtainable from this engine that makes beneficial use of carbon; that thrives on carbon; that for thousands of miles grows stronger, and more flexible through carbon; that never needs carbon cleaning and valve grinding to "set it up."

Come in and see us about it.

**WITNESS VOLUNTEERS.**—Mr. Llewellyn Walters, one of the chief witnesses in the Strickland trial for manslaughter, in which the accused was found not guilty, offered his services for King and Country at the Regimental Headquarters on Saturday.

**MORE HOT BEER SEIZED.**—A hop beer maker, who not long since was fined heavily for having too powerful a "stick" in it, has been summoned again by Head Constable Newsworthy, who a few days ago took a sample of the beverage which, when analysed, was found to contain a greater per-

centage of alcohol than that allowed by law.
