Reception to Rev. and Mrs. H. Johnson

The reception in honour of the Roy. ammond Johnson and Mrs Johnson held in the lecture room of Gower Street Church, proved a function of much interest. The Rev. Dr. Fenwick, Chairman of the District presided. · Miss Eslie Tait rendered an instrumental solo, and Miss Marjorie Hutchings a vocal one. Both items contributed greatly to the evening's enjoyment. Prayer was offered by the Rev. T. W. Atkinson, Assistant, Pastor of the Church. Mr. John Leamon. Recording Steward tendered the welcome to the official board in happy phraseology. Mr. W. H. Peters presented the Sunday School's welcome. A letter was read from Mrs. J. S. Currie, President of the Girl's Club, regretting her unavoidable absence, and tendering congratulations. Rev. A. Woods, baptized in a building older than old Gower Street, spoke reminiscently. Rev. Dr. Curtis followed in a vigorous address. Dr. Robinson presented the congratulations of the laity. The response by the Rev. Hammond Johnson not only rivetted the attention of all present, but so stirred their sense of loyalty, as to assure the new Pastor of the hearty co-operation in his efforts for the good of those amongst whom he has come to labour. Sunday's impression was rendered indelible on Ladies and Gentlemen.-Friday. A social hour followed, and it as strangers no more.

Father Ashley's Garden Party.

The Garden Party at Torbay tomorrow needs very little advertising to make it a success. Every day, during the rummer, the new church has been visited by large numbers from St. John's, the outports, and the transient tourists from the U.S.A. Torbay Parish is the third Parish that Father Ashley has had to materially at least erect from the very foundations. Tumbling-down Churches, Presbyteries, and schools were in a chaotic condition. Father Ashley's difficulties in Torbay were to erect a church and Presbytery the same year, as the building of both were absolutely necessary. His work in the Archdiocese for the past twenty-three years, in the unlifting of ecclesiastical and educational work merits an appreciation from all interested in the welfare of the Catholic community of the Archdiocese, and let all his friends show it by their presence on the field to-morrow when they will Hours get an opportunity to see the strenuous work of four short years.
