We give the wage earner the biggest values always. We know he must make every dollar count, and our constant effort is to save him all the money we can—to serve his best interests at all times—we also realize that Saturday is the most convenient time for you busy men to do your shopping, and have therefore made a special study of bargain giving for this one day, selecting special numbers from each department for the purpose.

Study the items listed below and you'll perceive that you can trade here to exceptionally good advantage Saturday.

Solid Shoes for Shop Wear

We pay more attention to the shape and fit of our men's working shoes than is usually accorded to footwear of this kind. We believe that the man who is obliged to be on his feet all day long is entitled to as much comfort as possible, and our working shoes are all designed with that idea. As to the prices—well, we'll let them speak for themselves.
