REAL RECREATION

The recreation which leaves you jaded, unfit for the next day's work should be avoided. Either it has been overdone or is the wrong sort. Recreation means making over, you know, not unmaking or breaking down.

A good, healthy weariness is not objectionable. Many a girl comes home so tired from a long walk or an afternoon of skating, that she finds it necessary to make a very early start for bed, and falls asleep almost as soon as her head touches the pillow. But by morning she is alert and rested and her mind acts quickly. Her sense of fatigue has passed, proving that the recreation of the previous day was worthy of the name.

The recreation which makes you sleepy and stupid at school next day, or nervous and irritable at home, is the sort to avoid. No girl should be ambitious for good times which unfit her for doing her work, or for being an agreeable companion in the home and outside. There is plenty of real recreation to be had, recreation which builds up, instead of tearing down. Seek that sort and leave the rest alone.

L-O-S-T

Just picture the grief of some child at the loss of his or her beloved "Doggie."

To them it is the greatest loss that could possibly come into their little lives. We believe that right down in the heart of every man, woman and child is a natural desire to do for others what they would have others do for them.

AN ECHO

"Pa," said Willie, "What's an echo?" "An echo, my son," answered Pa, glancing shyly at little Willie's Ma, "is the only thing on earth that can cheat a woman out of the last word." "Another definition of an echo," Willie said Ma briskly, "is a man who goes to old patent-medicine almanacs for his smartness."

Relatives in Aylmer have been advised of the death of W. D. Hardy, which occurred at his home in Muskegon, Mich. Deceased secured for his bride an Aylmer girl, Miss Muriel McIntosh, who survives him. When but a very young man he established a departmental store in Muskegon, which grew and prospered, until at the time of his death it was one of the largest in the state.

In accordance with the by-law passed by the Town Council a week ago the big clock on the Post Office tower was turned ahead one hour last Sunday night, and beginning this week Daylight Saving is being observed in Aylmer. The new time meets with the approval of many, while others are opposed to it. Most of the towns and cities throughout the Dominion are now observing the new time, however, as it makes it most inconvenient to do otherwise, on account of the railways using it entirely.

Mrs. Lewis Johnson gave a reception in honor of her son, Delbert, who recently returned home from overseas. A large number of friends were present and an enjoyable evening was spent in music, recitations and dancing. A delightful supper was served by Mrs. Johnson. Delbert enlisted with the 241st Kilties, at Windsor, in August 1916, and spent nearly two years in France. He escaped being wounded, but suffered considerably from gas poisoning.

A successful food sale was held in the store recently vacated by Enoch Mills by the Ladies' Auxiliary of the G. W. V. A. last Saturday morning and a nice little sum realized, which will be used to help pay the cost of furnishing the G. W. V. A. rooms. Next Saturday will be a tag day in Aylmer, for the G. W. V. A. Owing to the rush for seats for the Aylmer Minstrels for Tuesday and Wednesday nights, last week, it was found necessary to repeat the performance for the third time on Thursday night, as so many were disappointed at not being able to secure seats for either of the first two shows. The hall was well filled on Thursday, there being very few empty seats. This is one of the most popular entertainments of the year and is patronized by nearly every man, woman and child in the district. The boys are delighted with the patronage given them, and the performance was enjoyed by all who attended. The Minstrels expect to give the performance in St. Thomas and Tillsonburg about the end of the month.

Lieut. Stewart Black, of Detroit, has been engaged to give a flight demonstration in his airplane, at the school kiddies' picnic at Pinafore Park, St. Thomas, on May 24th next. Lieut. Black is carrying on a novel advertising campaign with his airplane, and will be in St. Thomas rain or shine, according to agreement. No doubt many from Aylmer will take advantage of this opportunity to see the demonstration. Lieut. Black, is a son of M. M. Black, Springfield, and a grandson of Mr. and Mrs. Ralph Chambers, of this place. He was brought down in his plane by the Germans while flying over their country and was made a prisoner for some months, being released when the armistice was signed.

The choir of the Aylmer Baptist church was entertained at supper in the basement of the church last Friday evening, by the Ladies' Aid, and a most enjoyable evening was spent. The tables were laden with good things to eat, and prettily decorated with flowers. During the evening, the pastor, Rev. T. J. Mitchell, on behalf of the congregation and membership of the church, heartily thanked the choir for the splendid and inspiring music they enjoyed every Sunday. His remarks were most complimentary and he sincerely believed there were few city churches with a choir equal to the one then being entertained to supper. The choir is an inspiration to the service and he wanted them to understand that their efforts were entirely appreciated by the church as well as by the pastor. Mr. E. C. Monteith, choir leader, suitably replied and moved a hearty vote of thanks to the ladies who had so kindly provided the entertainment of the evening, and to the pastor for the kind words of commendation.

Harry Brooks, of Port Huron, has been visiting his parents here.

Since the Canadian Express Co. strike has been on, Neal's auto truck has been making daily deliveries to Aylmer dealers. On Monday morning the steering gear broke, and car and bread overturned in the ditch west of town.

Beginning Sunday April 20th, the evening services at the Gospel Mission will begin at 8 o'clock (new time). The pastor will preach on "The Crucifixion" on the evening of Easter Sunday.

They sailed from Calcutta on January 7th, arriving in San Francisco on the 21st of the same month. After spending some time in sight-seeing and visiting friends and relatives in the Western States, they resumed their journey eastward, arriving in Canada on Monday, 7th inst. They are at present visiting Mrs. Anderson's sister and husband, Mr. and Mrs. Leeson, Shedden. They expect to call at Simcoe, Niagara Falls and Toronto, and from there will go on to New York, whence they will sail early in May for the colonel's old home in England where they expect to reside in future.

The death of Frank Russell occurred at his home, John street north, on Thursday, April 10th, after a serious illness of some weeks. Deceased as in his 49th year, and with his wife, and daughter came to Aylmer about a year ago, when he took over the photography business at the Clarke Studio. He was a professional in his line, but for some months has been in very poor health. He came to Canada some twelve years ago from Uxbridge, Middlesex County, England. Besides his widow he is survived by two sons, Frank and Alexander, who have both recently returned from overseas, where they saw considerable service in France, both having been wounded in the fight, and one daughter, Nora, all of whom were at their father's bedside. The funeral took place on Sunday afternoon at 2.30. Service was conducted at Trinity church, by the rector, Rev. Charles Miles, and interment took place in the Aylmer cemetery. The business has been conducted by the son for some weeks and we understand will be continued by him.
