He fell headlong over the edge of the bridge.

Parker was almost immediately missed and the place was such that it was easily seen what must have happened to him. A search was instituted and his unconscious form was found in the gully, 60 or 70 feet below. It was a wonderful thing that he was not dead and every bone in his body broken. When taken to the Amassa Wood Hospital at 1 o'clock yesterday morning, it was found that he had but one arm broken. Parker was suffering, however, from concussion of the able he will not live.
