MARSHAL OYAMA TO BE RECALLED

Bennet Burleigh's Statement Creates Sensation.

NODZU SAVED THE SITUATION \$

The Japanese Victory at Lio Yang Would Have Been Reverse But for Him.

St. Petersburg, Oct. 12. - The story cabled from Shanghai to the London Daily Telegraph by Bennet Burleigh, that Oyama will be recalled and that Gen. Nodzu will be commander-in-chief of the Japanese forces, attracts lively Body of an Avonton Farmer Found interest in military circles here. It is now known that Gen. Nodzu's action at the battle of Liao Yang, in pressing a portion of his army across the Taitse River to co-operate with Gen, Kuroki, thus increasing the strength of the ton, was found this morning lying un-Japanese flanking force and threatening Kuropatkin's communications, of the road, about two miles and a half made it impossible for the Russian from town. commander to risk continuing his origwhich forced the Russian retirement. dently—the night being very fark—he inal plan of striking the Japanese right, According to a Russian general, who just returned here from Liao Yang, the He was 62 years of "ge and unmarried.

when Kuropatkin ordered a retreat. Burleigh's Story

statement is sent by Bennett Burleign from Shanghai to the Daily Telegraph. Mr. Burleigh says it is believed that Field Marshal Oyama and his staff will return or be recalled to Japan, ostensibly because the army is going into winter quarters, and that General Nodnow well known among the better classes of Japanese," Mr. Burleigh adds, "that it was Nodzu who saved Mr. Burleigh the situation at the battle of Liao Yang. Oyama and the headquarters had actually ordered retreat, when Nodzu vigorously protested against which he warded off by sending in and almost sacrificing the entire Twentieth Regiment of the Tenth Division." According to Mr. Burleigh, the Japanese still have no intentions of proceeding much farther north than ada. Mukden, and they will only under ex-

FIERCE FIGHTING

TERRIFIC ARTILLERY CONTEST

Russians Drove in the Japanese Left Flank-The Right Held Fast to Its Position.

Mukden, Oct. 11. - 8 a.m. - Delayed. -The battle commenced this morning along the line of the railway with a terrific artillery fire on both sides. The railway line almost to Yentai is in the possession of the Russians. The station itself has been damaged nearly beyond

The fighting on Monday commenced early in the morning. A bombardment of five hours' duration forced back the Japanese lines along almost the entire front and opened the way for an infantry attack.

About noon the Japanese began to reire. Their flanks and center were stubbornly defended, and the battle increased in intensity, concentrating about the Yentai coal mines, where firing continued until darkness fell. As a net result of the day's events, the Russians drove in the Japanese left, while the right clung to its position, but Artillery Duel maintained itself only with difficulty. The aggressive movement of Gen, Kuropatkin's army is causing the Jacolumn on the northeast to withdraw, concentrating at the Yen-
