HEAVY IMMIGRATION TO CANADA PREDICTED BY C.P.R. PRESIDENT GERMANY WILL NOT YIELD TO ALLIED DEMAND; WILL TEAR UP

Berlin Government Declares It Is Backed by Overwhelming Majority of German People in Its Refusal To Surrender For Trial Those Demanded by the Entente Powers.

LIST IF OFFICIALLY PRESENTED

CONSIDERATION POSTPONED. Paris, Feb. 6 .- Final consideration of the new note to be sent to Germany as a result of the failure of her representative here to transmit the list of accused Germans demanded for extradition by the ailies, and the letter prepared to accompany it was deferred by the council of ambassadors at its session this morning. The postponement was caused by the non-arrival in Paris of Lord Birkennead, the British ford high chancellor, and Sir Gordon Hewart, the attorney-general, who were delayed in their journey from London by fog in the English Channel. tradition question will be taken up this evening after the British repre sentatives reach Paris.

Berlin, Feb. 6.—Pending the receipt in a statement yesterday, declared that if the allied note, the Government has if the demand for the extradition of the of the allied note, the Government has only been able to discuss the extradition situation in a perfunctory manner, in order to bring home to the German people a full realization of the crisis it ordered the publication of the unoffi-cial list of names of persons desired This list, however, is teeming with er-

DEMAND FOR LABOR THIS YEAR BETTER

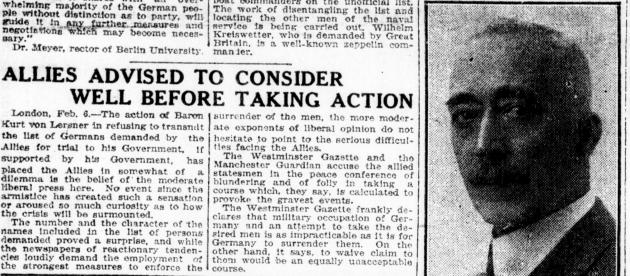

Some of Them Given Money Because of Low Wage

Although it was the general prediction of the pessimist that a great deal of unemployment and hard time would prevail this winter becaue the labor market would be glutted by the large number of returned soldiers. There is a far greater demand for labor this dermand for the extraction of the dermand for labor this dermans considered by the Allies is officially presented, it will be torn up.

The rector is returning diplomas conferred on him before the war by the universities of Oxford, Liverpool, Chicago and Harvard.

Steinmetz is Wanted.

The litting labor this year than there was last winter at this time, according to a report made by W. M. Ruddick, the district employment officer of the D. S. C. R. An average of 30 men are being placed each week now, while an average for each week. year than there was last winter at this

the list of Germans demanded by the Allies for trial to his Government, if supported by his Government, has placed the Allies in somewhat of a dilemma is the belief of the moderate liberal press here. No event since the armistice has created such a sensation or aroused so much curiosity as to how the crisis will be surmounted.

The number and the character of the names included in the list of persons demanded proved a surprise, and while the newspapers of reactionary tendencies loudly demand the employment of them would be an equally unacceptable the newspapers of reactionary tendencies loudly demand the employment of the strongest measures to enforce the STEAMER GROUNDED Murders Will Be DURING HEAVY GALE

Common Owing to,

Bloodshed Expected To Fol-"Mossy" Enright.

Chicago, Feb. 6 .- War and wholesale killings are imminent in this city, the police say, before the murderer of "Mossy" Enright, chief of feudists and eader of gunmen, who was killed Tuesday night as he sat in his automobile in front of his home, is captured. The contents of a double-barrelled, sawedoff shotgun. Police say his fate was decided many weeks ago, and gunmen shadowed him since, biding their time. He must have known his doom was sealed.

Now, say the police, the Enright clan Now, say the police, the Enright clan has sent out the call for revenge, and at least ten more killings are probable before the police make an arrest. Clue after clue is being followed by the authorities, and many suspects have been questioned, and released. Some have taken their release unwillingly, knowling that they were merked by their on.

THOUSANDS OF FLU CASES IN TORONTO

Number of Deaths Reported As Result of Epidemic.

Toronto, Feb. 6.—The deaths from influenza in the city reported early this morning by the medical health departmorning by the medical health department for the previous 24 hours, numbered 15, and from pneumonia, 3. The number of new cases of smallpox for the previous 24 hours was 12. The total smallpox cases now in the city being 272.

Dr. Hastings estimates that there are between 15,000 and 20,000 influenza cases in the city.

TWO DIE FROM INFLUENZA Halleybury, Feb. 6.—Two deaths from influenza are reported here today. Another victim succumbed at North Cobalt, and a child is dead at Latchford from the anidate. the epidemic. Numero cases have been taken to the hospitals.

> Steamer Montcalm Now in a Perilous Position.

DECLARES REPORT UNTRUE. Ottawa, Feb. 6.-By Canadian Press.-"There is absolutely no truth in it," said Alex. Johnston, deputy minister of marine and fisheries, when shown a dispatch from Quebec, which stated that the Canadian Government steamer Montcalm was in a very critical condition owing to ice pressure in the Guif of St. Lawrence. Mr. Johnston went on to say that the two men who were quoted in the dispatch had deserted from the Montcalm, and were probably trying to justify this action on their part.

The last report received by the The last report received by the department is to the effect that its conditions are now a little easier, and that the Montcaim has sighted open water for a distance of about ten miles. She is trying to reach Magdalen Islands with a cargo of supplies for the inhabitants. supplies for the Inhabitants. Quebec, Feb. 6.—The Canadian Gov

Quebec, Feb. 6.—The Canadian Government steamer Montcalm is in a very critical condition, according to Joseph Lavere and Robert Genest, two members of the crew who walked twenty miles over the ice from the ship to the shore and arrived here yesterday from Cape Breton. The men say that she is now lifted from the water and surrounded by icefields which are on a level with the ship's railing. There is an ample supply of coal and provisions on toard, but it is doubtful if the Montcalm will be able to withstand the ice pressure.

Woman Takes Acid in Mistake:

Montreal Feb. 6.—Mrs. Helen Bird, 32 years old, of St. Anne de Belleville, yesterday took a dose of carbolic acid in mistake for medicine, and died four minutes later. Immediately after the mistake was discovered she sent someone for the doctor, fut though he was but a hundred yards away, the woman was dying when he reached her.

\$5.000 damages for the death of her husband, who was picked up unconscious after fracturing his skull in a fail to the sidewalk, and was locked up as a common drunk. After being in a cell all night, it was found that Murphy was not drunk and he was removed to a hospital, where he died. The city established that Murphy fell down while under the influence of drink, and also that the corporation was not responsible for the actions of the members of the police.
