

The Sumas Shooting Case

Reeve Fookes Still Suffering From the Wound Inflicted in Struggle.

Charles Mussler Formerly of Victoria Killed by Runaway Team.

From Our Own Correspondent.
Vancouver, Sept. 14.—From last accounts, Reeve Fookes, of Sumas, who was shot by Walter Harris, accidentally or otherwise, is still unable to move, the gun wound having aggravated an illness caused by an injury in a runaway accident. Walter Harris has been refused bail, and has been lodged in New Westminster jail.

The story of the shooting affair is as follows: Reeve Fookes obtained a tax sale deed to 185 acres of land, which Harris claimed possession of under a lease from the Yorkshire Guarantee Company. A subsequent quarrel took place, and Harris wired up Fookes' wife, Fookes with an axe cut down the wires again, while he leaned his gun against the fence. Harris came along, picked up the axe and rushed at Fookes. Fookes seized the gun and warned off the blow, which would probably have killed him. Harris dropped the axe and seized the gun; in the struggle the muzzle became pressed against Fookes' side and arm, and two Japanese bullets were fired, one of which struck Fookes' house with a pair of field glasses.

There are several changes in the wholesale markets in Vancouver this week. In the grain market, oats have dropped \$3 owing to the new crop coming in, and are now selling at \$22 wholesale. Game is somewhat plentifully displayed. Ground beef is selling wholesale at \$1; malleads at 60 cents, and venison at 80 cents a pound. Quinces have made their appearance in the market and are selling at \$1.40 a box, while sweet potatoes—the first of the season—are selling at 3/4 cents a pound. The bank clearings have again fallen. For the week ending September 12, 1900, the clearings were \$1,085,007, and the balances, \$218,129; while for the month ending September 14, 1899, the clearings were \$1,198,821, and the balances, \$185,116; the decrease in the clearings thus being \$133,814.

The Chileans of British Columbia are forming a mutual fire insurance society. There are 100 Chileans resident in Vancouver alone, and all of them have promised to join the society. M. P. Morris, Chilean consul, is acting as president pro tem.

On Monday last Charles Mussler, while standing on the U. S. wharf, was run into by a runaway team, and sustained injuries from which he died last night. Deceased was well known in Victoria, where he formerly lived. His parents reside in Oregon.

New York, Sept. 14.—The Herald says: "New York city is face to face with a coal famine, which may reach the old inhabitants of the coal strike of 1878; the anthracite coal the consumer \$12 and \$14 a ton. This city, of all others, will bear the brunt of any coal famine, as the labor trouble may develop. SUCCESS RACES.

Benefit Given For the Cyclists Injured in the Smash-up.

New Haven, Conn., Sept. 14. The bicycle races at the Coliseum Board track to-night, which were given for the benefit of Charles Miller, the six days' champion, and Archie McEachren, the champion of Canada, who were injured in the smash-up Tuesday night, were a success financially. The clearances were two more championship and one amateur. The former was won by McEachren in 9:02.5, and the latter by Miller in 9:28.5. P. Jacobson broke the track record by making a paced mile in 1:29.5, which was a half a second lower than the time made by Major in Hartford.

SALISBURY'S MOVEMENTS.

While Apparently Enjoying a Holiday He Has Been Busy With State Affairs.

New York, Sept. 14.—A despatch to the Tribune from London says: "Lord Salisbury's return is awaited by politicians and leader writers as the signal for the dissolution of parliament and the revival of activity in diplomacy. The Prime Minister may have the holiday journey, or office. Lord Salisbury has been in daily communication with the foreign office, while in the Vosges. If he had
