CAMPBELLTON, N. B., December 30th, 1910.

THE NEW YEAR

Before another issue of the Graphic will reach its readers the new year will be upon us. The year 1910 will be long remembered in Campbellton; it will be the year in history from which all events will be dated. Let us hope and trust that the year 1911 will be a prosperous one; that the town will grow and increase in importance from this date onward; that our civic rulers will administer the affairs of the town wisely and that a year hence we can look back upon a year well spent.

THE COUNTY TAXES

The collector of rates for the Parish of Addington, of which Campbellton forms the greater part is endeavoring to collect the taxes as assessed before the fire and many and loud are the protests which are being uttered.

Not only are the taxpayers asked to pay a reasonable rate but they find that this year the county tax has nearly doubled. It behooves us to ask the reason.

The citizens of the town of Campbellton are called upon to pay forty-one percent of the contingent fund of the county. That is we pay nearly half the cost of administering justice, pay the county officials, the Board of Health accounts and this year the account of the Provincial Hospital for nervous diseases.

The system of accounting in vogue at Dalhousie is anything but fair to the town of Campbellton and some remedy should be found at once. For instance, The town of Campbellton, as a health district, pays all its Board of Health bills, yet we annually contribute forty-one per cent. to pay the larger Board of Health accounts of the county. A year ago the ratepayers of this town were assessed to pay for the keeping of patients in the Provincial Hospital. This was a heavy burden, but this year we are called upon to pay forty-one per cent. of the Provincial Hospital's account against the different parishes. In passing the accounts at the session of the County Council it frequently happens that accounts rightly chargeable to the different parishes are charged to the county. A year ago the parish of Dalhousie held an election to fill a vacancy in the Council. When the accounts for this election were before the council they were passed as county accounts and the town of Campbellton is obliged to pay forty-one per cent. of this. These are only a few instances, and a remedy should certainly be found. The town of Campbellton for the next ten years will have all it can do to pay its own indebtedness without shouldering a large percentage of that of the parishes.

The county council after the fire met and voted \$1000 toward the relief of the town of Campbellton. This means that the taxpayers of this town will be obliged to put their hands in their pockets and pay \$410.00 to be spent in relief work.

MEETING OF CREDITORS

A general meeting of the creditors of John T. Kane, plumber of Chatham, has been called by Sheriff O'Brien, for the 27th inst., at his office, Mr. Kane having made an assignment to the Sheriff.

DEAFNESS CANNOT BE CURED

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflammation of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

SERIOUS FIRE

AT RENOUS BRIDGE

The residence of Mr. P. J. Young, of Renous Bridge, the well known member of the Renous Bridge Lumber Co., was practically destroyed by fire on the 19th and Mr. Young himself was badly burned about the face and hands. The loss will exceed \$1,000, and is partially covered by insurance. It was necessary to summon medical aid to care for Mr. Young's injuries. The fire was discovered about eight o'clock and had gained considerable headway. There was sickness in the house and a large fire was burning in the stove. It is supposed that the pipes became hot and caught on the ceiling and roof. Efforts to save the house proved futile, but a quantity of furniture was successfully removed.

FOR CATARRH

Medicine Free in Every Case Where It Fails to Relieve.

Neglect or pessimism, we believe, is the greatest enemy the public has to contend with when applied to the loss or recovery of health. Practically every case of consumption might have been cured if hope had been maintained and proper treatment had been resorted to at the first symptom of the disease. Until the advanced stage is reached consumption is curable. Catarrh is responsible, we believe, for many cases of consumption. It is about catarrh we want to talk to you to-day, incidentally consumption, since the two are so closely allied.

We have a medicine made from a prescription of one of the most successful catarrh specialists known. We believe it is positively without an equal. We are so satisfied that we are right, that we will supply the medicine free in every instance where it is used according to directions for a reasonable length of time, should it fail to give satisfaction in every particular. We want every one to try this medicine at our risk. There are no conditions applied to our offer. We put the user under no obligation to us whatever.

The medicine we want you to try is Rexall Muc-Tone. It is carried by the blood to every part of the system. It purifies and enriches the blood, tones up the mucous cells, and brings about a condition of health and strength that tends to prevent the germs of consumption from getting a start. Besides this, Rexall Muc-Tone is a wonderful appetizer, digestive aid and flesh builder. Its good effects are often felt from the very first dose. It is one of the largest and most satisfactory selling medicines that we have ever had anything to do with.

We know so much of the great good that it has done that we personally back it up with our reputation and money, while fact should be ample guarantee to satisfy anybody. Rexall Muc-Tone comes in two sizes, 50 cents and \$1.00. We urge you to try it. Remember you can obtain Rexall Remedies in Campbellton only at our store—The Rexall Store, T. Wran.

MRS. JOHN FORSYTHE

On the 3rd of December at the home of her son William A. Forsythe, Amanda E. McKendrick, widow of the late John Forsythe, passed peacefully into rest in the 74th year of her age. She was born in P. E. Island and at the age of 8 years came to Redbank with her parents and other members of the family. She leaves to mourn her loss one son William, four brothers—Malcolm of Lewiston Me., Hugh of Boise, Idaho, John of Chatham N. B., and James of Whitneyville who has lived for the past number of years with his sister. The funeral service was conducted at the home by her pastor Rev. E. E. Mowatt assisted by Rev. H. D. Worden, (Baptist.) Mr. Worden visited Mrs. Forsythe several times during her illness and a few hours before she died sang—"We're nearing the city," and "Over the river faces I see."

Mrs. Forsythe was a consistent christian and a member of the Presbyterian church for a number of years. Although paralyzed for seven years she was never known to murmur. During the last year of her illness when seized with spasms of pain, she sometimes expressed a desire to depart this life and be with God which is far better. Pallbearers were—John Forsythe, Peter Russell, Thos. Sherard, Archie Menzies, J. B. Johnston and Jas. Young. Funeral was in charge of E. Mullin, undertaker. Interment in Presbyterian cemetery, Whitneyville.

MRS. HIRAM HUMPHREYS

The death of Mrs. Catherine Humphreys, widow of the late Hiram Humphreys, the well known mill owner of Petecodiac, occurred at the home of her daughter, Mrs. J. S. Fleming, on Sunday morning at 9 o'clock, from heart failure, after an illness of several months, from which however she lately appeared much improved, especially since her return from Lynn ten months ago. At the last death came very suddenly. Mrs. Humphreys was 81 years and ten months old, and was the last surviving member of the family of the late James Robertson sr., of Moncton, who will be remembered as a prominent ship-owner on the Petecodiac river. Deceased was twice married, her first husband being the late Amasa Weldon, jr., of Moncton, who was the first Dominion Customs collector at Moncton, and by whom she leaves three daughters—Mrs. W. A. Willey, Lynn, Mass., Mrs. A. P. Rolph, London England and Mrs. J. S. Fleming, Newcastle, N. B. The removal of this much beloved representative of several of the oldest and best families of New Brunswick is deeply regretted and much sympathy is felt for the bereaved family. The funeral will be held to St. James' cemetery here tomorrow afternoon at 3 o'clock.

NATIONALISTS SWAMPED

IN QUEBEC ELECTIONS

Montreal, Dec. 29.—In one of the most spectacular and keenly contested by-elections ever held in this province, M. Robert, Liberal, was elected in St. Johns county over H. Hebert, the opposition candidate by a majority of 663. At the general elections of 1908 Marchand, Liberal, had a majority of 322.

Robert's big majority came as a surprise to his opponents, as it was hoped that a reduction would take place in view of the strenuous campaign put up on behalf of the opposition candidate.
