### MIRAMICHI PRESBYTERIAL MEETS IN BATHURST

Most Encouraging Reports of the Year's Activities Presented—Officers Elected for Coming Year.

The twentieth annual meeting of the Miramichi Presbytery of the Women's Missionary Society, convened in St. Luke's Hall, Bathurst, on Tuesday. About fifty delegates were in attendance, besides officers and visitors. These delegates represent the constituency covered by the Miramichi Presbytery extending from New Carlisle, P. Q., to Harcourt, N. B.

Among the visitors were Mrs. R. C. Cruikshank of St. John, the Society's Secretary of Young People's Work, Rev. F. L. Jobb of New Mills, and Dr. Kate McMillan, a Korean medical missionary, who is now spending a furlough at her old home in Jacquet River.

The delegates were hospitably entertained by the ladies of St. Luke's and their friends. An address of welcome was presented by Mrs. R. Dunn of West Bathurst, the President of the Local Auxiliary, and responded to in a pleasing manner by Mrs. O. Nicholson of Newcastle.

The business sessions were presided over by Mrs. F. L. Jobb of New Mills, the President of the Presbytery. A visit to one of the meetings would convince one that women are just as capable in the transaction of business as men.

The weather throughout the day was in an extremely torrential mood and the problem of navigation on some of the village streets was a rather acute one, but the visitors made the best of it and some even seemed to enjoy it, and once within the comfortable hall, the ladies went ahead with their meetings as if bad weather were never thought of.

The reports of the year's operations were on the whole decidedly optimistic and encouraging. The Secretary reported 28 auxiliaries with 678 members and 95 scattered helpers. 50 members were added during the year and five life members. 21 of the 28 auxiliaries spoke of increase in funds and this notwithstanding the many other activities—especially war activities—in which the women are engaged. The various auxiliaries connected with the Presbytery raised a total of \$2,066.63 for foreign missions; \$584.27 for Home Missions; and \$91.75 for the Hospital Fund; making a grand total of \$2,742.65, which is a very creditable showing and represents an increase over last year.

The way in which the H. M. funds were allocated is instructive in that it shows the various Canadian activities in which the Presbytery is particularly interested. The allocation was as follows:—

\$240.00 towards support of a Home Missionary in the Northwest.  
\$60.00 Kindergarten work among foreign children in Sydney.  
\$60.00 Scotch School.  
\$60.00 Student Bursary Fund.  
\$37.00 Maritime Home for Girls, Truro.  
\$25.00 Sydney Rescue Home.  
\$34.00 manse at Harrington Harbor, Labrador.  
\$60.00 Work among foreigners at Minas.

Among the interesting papers read at the meeting was one on "Tithing" by Mrs. Bruce of Campbellton and one on "Home Missions" by Mrs. G. A. Grant of Black River. (In Mrs. Grant's absence the paper was read by Mrs. Nicholson.)

Among the other good things on the program were a "Conference on Young People's Work" led by Mrs. Cruikshank of St. John and a "Round Table Conference on Best Methods of Using the Study Book" by Mrs. Rattee of New Richmond.

The Treasurer's report showed totals to date for:

Foreign Missions	\$2,066.63
Home Missions	\$584.27
Hospital Fund	\$91.75
<b>Total</b>	<b>\$2,742.65</b>

2nd Vice President—Mrs. Alex. Firth, Douglastown.  
3rd Vice President—Mrs. A. B. Carson, Rexton.  
4th Vice President—Mrs. Rattee, New Richmond.

Luke's and the St. Luke's choir, rendered special music. At this meeting Dr. Kate McMillan gave a very interesting talk on some of her experiences in mission work in Korea; and Rev. F. L. Jobb gave a lantern lecture on "Scenes and Labors in Honan Highlands." Mr. Jobb's lecture was illustrated by a large number of very excellent lantern slides. The meeting was brought to a close by the singing of the national anthem after which the delegates adjourned all voting that they had had very interesting sessions.

She—How did they ever come to marry?  
He—Oh, it's the same old story. Started out to be good friends, you know, and later on changed their minds.

A sergeant was entering a new enlistment into his book. "And where do you hail from, Angus Macdonald—England, Scotland or Ireland?" he asked with a sarcastic smile at the six-foot brawny giant. "Name of them," was the ready answer. "De ye ken whaur Aberdeen is? Weel, I come frae Aberdeen."

## Buy a Ford, not because it is cheaper, but a better car

Mark well the sterling construction of the Ford car.

The testing department of the Conservatoire National des Arts et Metiers of the French Republic made a highly scientific comparison between Ford constructive material and the material used in another very noted and expensive car. In every test the Ford material proved superior.

The service given by Ford cars in Quebec has fully substantiated the results obtained by these French scientists.

Buy a Ford, not only because its first cost is less, not alone because its maintenance cost is less, but because its quality of service is greater,—because it gives more mileage per dollar invested than any other make of car you can buy.

And if you want your Ford this summer, buy it today to ensure prompt delivery.

### NO FURTHER WORD

Mr. and Mrs. John Ferguson are greatly alarmed that no further word has been received from their son R. Currie Ferguson, who was reported wounded some weeks ago. Before his wounding he wrote home every week and it is now over a month since he has been wounded. The Militia department has been appealed to but is unable to get any further information.

### COMING HOME

Cecil Mercereau, who was wounded in the face and body during the early part of the battle of Hooge is now on his way home presumably on sick leave.

Yesterday his father J. Y. Mercereau of Chatham, received the following cable from London:  
"Leaving London for home today."  
It is expected that he will arrive in Canada the latter part of next week.

Her—No doubt you think I am older than I really am.  
Him—Not at all. I'm sure you are not as old as you look.
