THOS. WOODHOUSE,

BRYCE'S PATENT PAVEMENT.

Sidewalks, Cellars, Garden Walks, Stable and Brewery Floors.

Below is a List of Parties for whom it has been laid and the places where it can be seen:

- THE CONSUMERS' GAS CO., in their new works there has been laid about \$2000 worth.
- DR. STRANGE, Simcoe-st. It has been laid in his stable and coach-house and he says that it is the best and the healthiest pavement he has ever seen.
- ELLIOTT HOUSE, cor. Church and Shuter-sts. Sidewalk has stood the winter well and is giving entire satisfaction.
- MR. MURPHY, cor. of Power and King-sts. Sidewalk in front of five stores; he says it is the finest and saves the price of itself from the fact that it is so easy to clean off snow.
- MR. TAYLOR and others, McGill-st., North side, between Church and Yonge-sts., is giving entire satisfaction.
- JNO. N. GRANT, cor. of Russell-st. and Spadina-ave., says it is the best pavement and the cheapest he has ever seen.
- MRS. DORSEY, 152 and 154 York-st., cellar floors and sidewalk in front of new stores, says the pavement is indeed giving satisfaction.
- ROBT. GILHAY, ESQ., Barrister, Toronto-st., says he never saw anything to equal Bryce's Pavement; he says no damp will go through it and he has tried vinegar on it for ten days and it would not absorb it in the least.
- 41 SPENCER-AVE., (St. Alban's Ward, late Parkdale). Carriage-way and sidewalk has stood the summer and winter well.
- LIEUT. COL. JOHN GRAY, Spencer-Avenue, says he would not live in a house without Bryce's Patent Pavement floor in cellar, as there is no damp or smell of decaying timber, and consequently few doctors' bills.
- H. H. WILLIAMS, 46 Church-street, has had about 20 cellars floored with Bryce's Pavement and he says they give great satisfaction, and he would not build a house without it.
- MRS. WATKINS, Walmer-road, has had three cellars done and is well satisfied.
- MR. THOMSON, late from Scotland, has had a cellar done, and he says that it exceeds by far anything he has seen in the Old Country, and he would not live in a house without Bryce's Patent Pavement.

We have practical men employed to fix your drains and see that they are properly trapped, and lay down our pavement, which will last twenty years. For further particulars apply to

GRATEFUL-COMFORTING. EPPS'S COCOA.

BREAKFAST.
"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a deliciously flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette.

VALUABLE PROPERTY FOR SALE

Above we present a plan of one of the choicest properties for sale in Toronto; and while shrewd investors by the score are investing in outside properties, HERE IS EVEN TO-DAY a Central Property which must have escaped their serious and best attention. Now, when all are agreed that the growth of Eastern Toronto has been phenomenal, during the past three years, and will be sure to continue, Queen-Street will be the only business street worthy the name in the East End of Toronto for some years to come; it must therefore clearly follow that Queen-Street East, Toronto, at the price which we can sell the above property, is the place above all others to buy first-class business property to-day for a future substantial advance. Queen-Street as far East as Pape-Avenue will, ere long, dismount in every respect her name sake in Parkdale. It is more central, it has none of the disabilities and drawbacks of Queen-Street in the West. It is the direct route for all traffic to and from the centre of the city eastwards; being therefore without a rival. It has to-day a sturdy class of steadily pushing merchants, thronging either side as far eastward and even beyond Logan-Avenue. The Woodbine Racing Track, (the Derby race-course of Canada), New Beach, Balmly Beach, Picturesque Norway, Victoria Park, the Newmarket Racing Track (where training uniformly begins earlier than on any other race course in Canada), Little York, The Grand Trunk and Canada Pacific Railroad interests rapidly increasing from month to month and the large number of admirable building sites in the immediate vicinity, all combine in contributing their share to the rapid and permanent development of Queen-Street into the great business street of the east end of Toronto. It will be observed that the property shown on above plan comprises all the block including the two grand corners of Booth-Avenue and Logan-Avenue; the total frontage on the north side of Queen-Street being 242 feet, by a depth of 301 feet, which can be sub-divided into about 425 feet frontage in all without reducing the valuable Queen-Street frontage. On the property are solid brick and wooden buildings, all rented to good tenants. These buildings cost between \$8000 and \$10,000 to build. WONDERFUL AND MYSTERIOUS GIFT!

The Power to "Heal the Sick" by "Laying on of Hands."
PROF. LEMON,

Formerly of the Medical Faculty of the University of Buffalo, N.Y., Socratic Physician and Magnetic Scientist.
offices over Imperial Bank Branch, Queen and Yonge-streets.

Probably the largest number visited Dr. Lemon last week of any during his visit. He is the only competent Socratic Physician in the Dominion, thoroughly conversant with the pathology of diseases, he treats and the anatomy and physiology of the human system, on which he brings mysterious healing forces to bear. The cures most quickly made are as permanent as the others. Witness that of George Pringle, Esq., of Ottawa, cured of 40 years' deafness at Shaftesbury Hall four months ago in one application, who can now hear sermons and whose hearing improves still.
Mr. Geo. M. has suffered for three years from a constant pain in the small of his back caused from dislocated kidney, a dull general nervous exhaustion. He also suffered from loss of sleep, nervous dyspepsia, indigestion of the heart and a frequent desire to avoid noise. Mr. M. has not been able to do a day's work for the past three years, and has consistently been under the doctor's care. In a most remarkable and wonderful manner he applied to Prof. Lemon, who has restored him to health, his pain has left him, his appetite has returned, and he is able to do a full day's work without fatigue. Mr. M. says money could not have him to be placed back in the condition he was in when he commenced consulting with Prof. Lemon.
Mrs. Emily W. has suffered with female weakness so that she was unable to stand on her feet for two years she was cured by three treatments of Socratic medicine or instruments. She attends over the bank. Walk right up to reception room. Office and secretary in attendance 9 to 9 week days only July 1. Special cases charged.
No illegible questions or examinations, in cases of doubt.
