

WE HAVE PURCHASED

From a Montreal manufacturer, at a reduction of about 40 per cent. off wholesale prices, or at the rate of 60c on the \$, the whole of a large stock of READY-MADE CLOTHING, made expressly for one of the largest retailers in Western Ontario, but not delivered owing to certain difficulties, and consisting of about \$17,000 worth of FINE CLOTHING ONLY. Having succeeded in making the above purchase at such a low rate on the \$, this lot of Fine Clothing will be offered at prices away below the prices ordinarily charged for common goods. We propose to sell this stock out entirely in three weeks. We've decided that an extra effort of this kind must be made, as our own stock is exceptionally large. This big sale of clothing, in conjunction with our Drygoods Clearing Sale, which commences to-morrow, will make busy times at "The New Mammoth" for the next three weeks. The stock of clothing consists of:

- About 800 pairs Men's Pants.
- About 700 Men's Fine Tweed Suits.
- About 500 Fine Black Coats and Vests.
- About 1000 Summer Coats and Vests.
- About 450 Youths' Suits and
- About 800 Boys' 2 and 3 piece Suits

All to be sold during the next three weeks at 60c on the \$. Remember, the above stock is not a bankrupt stock. The goods have never before been offered for sale. They are all new, and made for this season's trade. These goods are manufactured by one of the largest, if not the largest, wholesale manufacturers in Canada, and were intended for fine Western Trade. This sale offers a great opportunity for clothing buyers. If you've been accustomed to give \$12 for a suit, bring \$7.50 only, and see yourself save good money.

Electricity, as applied by the Owen Electric Belt and Appliances

is now recognized as the greatest boon offered to suffering humanity. It has done and will effect cures in seemingly hopeless cases where every other known means has failed. Rheumatism, sciatica, neuralgia, etc., are cured by its steady, soothing current, that is easily felt, it will cure:

Rheumatism, Sciatica, Neuralgia, General Debility, Constipation, Liver Complaint, Female Complaints, Impotency, Urinary Diseases, Nervous Complaints, Epilepsy or Fits, Urinary Diseases, Loss of Power.

RHEUMATISM.

It is not pleasant to be compelled to refer to the indisputable fact that medical science has hitherto failed to afford relief in rheumatic cases. We venture the assertion, although it may seem extraordinary, that there is nothing to equal Electricity as applied by the Owen Electric Belt and Appliances. Some of our leading physicians, who have used this fact, are availing themselves of this potent of nature's forces in supplying defects and correcting irregularities.

To Restore Manhood and Womanhood.

As man has not yet discovered all of Nature's laws for right living, it follows that science has not yet reached the point where it can supply the deficiencies of man. It is only by the use of the Owen Electric Belt and Appliances that man can be restored to his original state of health and vigor. The Owen Electric Belt and Appliances are the only ones that will cure rheumatism, sciatica, neuralgia, etc., and restore manhood and womanhood.

We Challenge the World

to show an Electric Belt where the current is under the control of the patient as completely, as this. We can use the same belt on an infant that we would on a giant, simply reducing the number of cells. Ordinary belts are not so. Other belts have been in the market for five or ten years, but today there are more Owen Belts in use than all the other belts combined.

ELECTRIC INSOLES.—Dr. Owen's Electric Insoles will prevent rheumatism and cure Chills and Cramps in the feet and legs.

PRICE \$1.00, sent by Mail.

ELECTRICITY WILL CURE RHEUMATISM: THE PROOF WE HAVE AND WILL SEND YOU.

EXTRACTS FROM CANADIAN TESTIMONIALS.

"For eight years I have suffered with rheumatism, and am now out of pain and growing better daily, and in my fifth year. Can confidently recommend the Owen Belt when everything else fails." A. HENRY, Niagara Falls.

"Having some knowledge of electricity and its power, and having used other belts, I can say that the Owen Electric Belt is the best I have ever worn." JAMES HARR, Port Huron, Mich.

"Your Electric Belt cured a violent attack of sciatica, which several months standing could not be relieved by any other means." W. DIXON, Esq., Grand Valley, in eight days.

Beware of Imitations and Cheap Belts.

We are warned by some of the CHEAP so-called electric belt concerns that any belt requiring vinegar or acid will burn the skin. So will an electric light wire, which is proof positive that there is a strong current there or it would not do so; but that same wire can be controlled in the Owen Electric Belt by the wearer, so that a child can wear the same belt as a strong man. Best assured, any belt that will not make itself felt by the wearer is no electric belt at all, and is perfectly worthless. So you see that the acid or vinegar belt is made use of to get the belt at all, and is perfectly worthless. A genuine electric belt cannot be sold at the prices these kind and mislead an unsuspecting public. A genuine electric belt cannot be sold at the prices these kind and mislead an unsuspecting public.

In justice to ourselves and generous public we are determined to expose such unprincipled trickery, and prevent it, if possible, the unsuspecting from being misled by such men and means.

The Owen Electric Belt Co. of Canada, and its branches, are the only ones that will cure rheumatism, sciatica, neuralgia, etc., and restore manhood and womanhood. The Owen Electric Belt Co. of Canada, and its branches, are the only ones that will cure rheumatism, sciatica, neuralgia, etc., and restore manhood and womanhood.
