circulation of at least thirty thousand. Rev. A. R. Johnston extended a welcome to the new men coming into the District.

An auditing committee was appointed to co-operate with the statistical secretary, Rev. R. A. Brooke, in auditing the schedules. Mr. T. B. Taylor of Watford and Mr. J. H. Richardson of Kerwood. Motion of adjournment brought the business session to a close and the delegates were entertained at supper by the ladies of Watford Methodist church, much to the delight of all who stayed. An expression of appreciation was extended to the ladies and a suitable reply given.

A public meeting was held at 8 p. m. following the business session. The chairman was assisted in the devotional exercises by Rev. Mr. Workman of the Presbyterian church. A solo, "The Victory May Depend on You" by J. L. Foster, after which an address was given by Rev. W. E. Millson on "The Plebiscite." The issue (says the speaker) is wet or dry. Its a Provincial issue, its a case of deciding on the 23rd of October whether you want the Prohibition forces to triumph or the wet forces.

Every brewer and distiller are interested in this campaign and they have been carrying on a propaganda to nullify and belittle the O. T. A. The time has come when we must stand on our two feet and defend the O. T. A. The sale of liquor began with Government Control, but no Government has ever been able to control it for you can not control liquor when it is sold. Mr. Millson is optimistic about the coming vote because every time Ontario has voted on the liquor question, we have declared that we didn't want to have anything to do with the liquor business. There has been a certainty in the decisive votes on the liquor question. What have the temperance people to encourage? There is all the history of all the past. Not only the past but about the present? Every where they are organizing, he declared, and the enthusiasm of temperance forces is running high throughout the Province, and if there is to be any change needed let it just be a little more dry.

The chairman of the meeting put the question to the meeting. All who are in favor of the continuance of the O. T. A., please stand, and the vote was unanimous except one.

Moved Rev. A. M. Stuart, seconded Mr. James Peters, Mt. Brydges. We the members of the Strathroy District meeting representing a membership of over 3000 people, hereby express ourselves as being in fullest sympathy with the Ontario Temperance Act, and satisfied that very beneficial results have followed the enforcement thereof in decreased drunkenness, lawlessness and crime.

We would regret the return to conditions of drunkenness and crime such as are found in the Provinces where a system of Government Control is in force. We would earnestly urge our people not to be deceived by the subtle propaganda of the Moderation League, which advocating Government sale of intoxicating beverages, and to loyally support the Ontario Temperance Act which has proved to be such inestimable value, morally, socially and economically.

We would therefore most urgently request our members and adherents to pray and work for the retention of this Act, and mark their X opposite the first question on the ballot on Oct. 23rd.—Carried.

Strathroy District Y. P. L. Field Day

The annual Field Day of the Strathroy District Young Peoples' League, was held in Appin Community Park on August 27., and it was a splendid success. Representatives from almost all the leagues of the district were present in large numbers and showed a keen interest in all the sports of the afternoon, which included, races, soft-ball, tennis and basketball. About 200 sat down to a picnic supper, after which outdoor community singing was enjoyed by many.

The evening programme was held in the Methodist Church. The final debate in the District Tournament, was given by the Appin, and Zion Leagues, the Zion League being the winners this year of the pennant given for the district championship. Their side was upheld by Miss Florence Edwards and Mr. James Parker, while Miss MacDovald and Mr. MacFie debated for Appin.

A pageant "The Call of the Nations" was well presented by various Leagues of the District and the costumes showed much skill and preparation. The leading part in the pageant was taken by Miss Dorothy Fowler of Watford, as "Miss Canada." Much credit is due to the Appin League who proved themselves excellent hosts.

Nothing To Equal Baby's Own Tablets

Mrs. Georges Lefebvre, St. Zenon, Que., writes: "I do not think there is any other medicine to equal Baby's Own Tablets for little ones. I have used them for my baby and would use nothing else." What Mrs. Lefebvre says thousands of other mothers say. They have found by trial that the Tablets always do just what is claimed for them. The Tablets are a mild but thorough laxative which regulate the bowels and sweeten the stomach and thus banish indigestion, constipation, colic, etc. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ontario.
