## Miscel ancous.

How inchans Return Calls. before the ladies got to their rooms. lived most of his life and was best known, One of the ladies called on the chief seems the most fitting medium.

and then went to their room and Respect for the memory of men of talent knock at the door, and she found that a same that the door in the morning. The lady unlcoks her door in the morning, so that the porter can come in and build a fire before she gets up. She heard a knock in the morning, and, supposing it was the porter, she said, 'Come in.' The door opened, and in walked Mr. Indian. She took one look, and pulled the bed-clothes over her head. He sat down on the edge of the bed, and said, 'How?' Well, she was so scared didn't know 'how' from Adam. She said to him, in the best Sioux that she could command, 'Please good Mr. Indian go away until I get up,' but he didn't seem to be in a hurry. He pick ed up pieces of her wearing apparel from the floor, different articles that he didn't seem to know anything about where they were worn, and made company the form the floor, different articles that he didn't seem to know anything about where they were worn, and made company the form the floor, different articles that he didn't seem to know anything about where they were worn, and made company the form the floor, different articles that he didn't seem to know anything about where they were worn, and made company the form the floor, different articles that he didn't seem to know anything about where they were worn, and made company the seem to know anything about where they were worn, and made company the form the floor, different articles that he didn't seem to know anything about where they were worn, and made company the seem to know anything about where they were worn, and made company the form the floor, different articles that he didn't seem to know anything about where they were worn, and made company the floor of the state. The tendency of the age is to forget to casily. The greatest and country where no recognition is made of the community of the world's heroes depart and soon tested the community of the world's heroes depart and soon of the tendency of the age is to forget to casily. The greatest and bear is to forget to casily. The greatest and soon of the tendency of the age is knock at the door, and she found that of human character. It is ill forthat where they were worn, and made comments on them in Sioux tongue. The stocking seem to paralyze his untutory ed mind the most. They were the shade stockings, and they were too much for his feeble intellect. He held them up by the toes and said 'Ugh!' The lady trembled and wished he would go away. He seemed to take great delight in examining the hair on the bursau, and

Thus 1882, entering, probably, cold With beckening fingers hover o'er me." It is not my privilege to known august but ittle snow, is likely to close with heavy snowfalls and blussters. In such a manner dot get at my first out lines of the weather in advance and subsequently catch at the outline of the whole year by comparisons of a like nature too numerous to mention here. I would further remark that I changed my mild prediction for this December at the last moment and after the almanac was in form, because 1 thought there were indications of the weather sliding into last year's groove and because I inferred from the great and prevalent storms on the Atlantic and gales in the Gulf of St. Lawrence that December, would give us rapid transitions from southerly or northerly winds. In this I was mistaken. You will not notice that the year will term into row Year enter with a fairly "cold dip," but there will be rain and slush in January again as in 1878.

Henny G. Vennor.

Montreal, Dec. 31st, 1881.

With beckening fingers hover o'er me. It is not my privilege to known and the state with the with property in the minest scenes of the writer's life, but there will be rain and slush in January again as in 1878.
