ACTIONS SPEAK LOUDER THAN WORDS

Buy "VICTORY BONDS," the very best ABSOLUTELY SAFE INVESTMENT in the world to-day!

Uncle Sam's "Liberty" Bonds pay only four per cent. Canada's "Victory" Bonds pay FIVE AND ONE-HALF PER CENT, FREE FROM TAX. The Savings Banks only pay you three per cent. A mortgage, with possibly trouble to collect your interest, perhaps six per cent. Why do I say ABSOLUTELY SAFE? When the Dominion of Canada repudiates its Victory Bonds there will be no Savings Banks in Canada, and a Mortgage on a Valley farm will be quite as good as one on a crow's nest. You owe it to the brave fellows "over there" to buy to your maximum limit, and on your part you have gilt-edged security. **BUY FULLY REGISTERED VICTORY BONDS!** —WALTER SCOTT.
