

# GEMS OF WALDTEUFEL.

As a writer of dance music, especially waltzes, Waldteufel is pre-eminent, and fills, to-day, the position as a popular favorite, once occupied by Strauss. His works are melodious, and the piano arrangements so admirably adapted to that instrument as to be easily played, and yet retain many of the orchestral effects; in this particular he has great advantage of his above-mentioned competitor, whose adaptations for piano were frequently too difficult to come into general use. Unlike other publications of the same character, we have adhered strictly to the original form, and each composition is complete, with introduction and coda—a plan too frequently neglected, and yet very essential, for the additions oftentimes convey the whole story or subject of the work.

## GARLAND OF GEMS.

In order to place the most popular vocal publications in the hands of our customers at a reduced and exceedingly low price, we have made a careful selection from the 4000 pieces contained in our catalogue, and publish them in book form, under the title "Garland of Gems."

That this arrangement will prove of great advantage to purchasers of music, we do not doubt; and the contents—given below—will serve to convince the most skeptical that popular music (and not a lot of unsalable pieces), are offered in a decidedly attractive form, at the price of one cent per page.

Each piece is complete, printed from regular size sheet-music plates (192), and on an excellent grade of music paper.

# SONGS OF TO-DAY

This work is not a promiscuous or nasty compilation of vocal tunes, gotten up to take place with the multitude of cheap books, whose only merit, if any, is in their fine sounding titles; it is a collection of beautiful songs, each of which has been selected for its known and appreciated worth, and with the sole intent of furnishing to the individual lover of song a repertory of music sufficiently varied in character to suit his mood, his taste and ability.

A glance at the table of contents will reveal a wealth of musical treasure unrivaled by any other similar work published. The list of authors represented, and their well-known reputations, speak more eloquently in favor of "SONGS OF TO-DAY," than anything that could be said by the publisher. It is a book that is worthy a place in the library of every one interested in vocal music, and as such it is offered to the public.

## CASCADE OF RUBIES.

Similar in style of publication and value of contents, to "Garland of Gems," its companion in vocal music. Great care has been given in the selection of contents, and we confidently recommend the book as the best of its class.

In addition to excellent music paper, printing and binding, "Cascade of Rubies" appeals to all purchasers of music in a most persuasive manner, viz., the cheapness, which is certainly remarkable, being published in a most attractive manner, and offered at one cent per page.

The aggregate value of the same music, published in sheet form, amounts to exactly \$18.15.

Careful buyers will think the new form a decided advantage.
