THERE'S MONEY IN IT.
THAT'S WHY FARMERS KEEP COWS.
They have learned there is more money in butter & cheese than in grain.
They also know that Ensilage is the best and most economical winter food obtainable for cattle, and stock up accordingly.

The Silo has come to stay.
But the Silo is of little use without the Ensilage Cutter.

We make several kinds and sizes of **STRAW** and **ENSILAGE CUTTERS** all full guaranteed.

VIEL'S VEGETABLE SYRUP

WHAT IT CAN DO

Mrs. Vidal Boulet, of St. Francis (Riviere du Sud), used Viel's Vegetable Syrup in a serious attack of the liver. Although her case was a very bad one this syrup gave her relief after the first dose, and she was cured in a few days. Mrs. Boulet is very thankful to the owners of this medicine and she recommends it to every one who is suffering from liver diseases.
