Bert. Brown, of the "Wanderers" expects to receive his new cushion-tired Eagle this week, and we may soon expect to see him fly.

Members of the "Torontos" are notified that the formal opening of the new Club House will come off on the evening of the 9th July.

The sooner the House Committee meet and form rules for the proper care and use of the various rooms of the new Club House, the better will it be for all concerned. Indiscriminate smoking and bugle-blowing all over the house will soon render all parts of it untidy, and ourselves a nuisance to the neighborhood. Members should not forget that they are gentlemen, and should endeavor to conduct themselves as such in the Club House, even more strictly than they would at home, for in the latter many acts are condoned that would not be tolerated by outsiders.

The club run last Saturday—the first from the new House—was the most successful this year, no less than sixty members turning out in uniform, together with three of our lady riders. The ladies set the pace, which was quite lively enough, and we all went down the Kingston Road to see the speed contest for position on the T. B. C. team for the Road Race at Hamilton on July 2nd. The course was from Norway to the Half-way House and return, twice, and pretty good time was made. F. B. Robins, on his Pneumatic, finishing first, followed by McClelland, Hurndall, Palin, Bulley, J. Miln and W. Robins, in the order named, though some of the riders were handicapped. Four of the team will be chosen from those above named, the fifth being Nasmith.
