PHOSPHATE LANDS FOR SALE.

The Laurentian Phosphate Min-
ing Company offers for sale upon advan-
tageous terms the mining rights upon the
whole or part of their valuable phosphate
lands in the Township of Templeton, con-
taining in all 1,300 acres.

Part of the property has
been developed and proved
to be unsurpassed in rich-
ness.

Most favorable reports by the late Henry
G. Vennor, F.G.S., and other experts, may be
seen upon application to the undersigned.

The principal shareholders now residing
abroad, is the reason for wishing to realize
and close up the business of the company:

To parties purchasing the whole of the
company's interest, their Letters Patent would
be transferred, thus enabling the purchasers
to carry on the business as a company with-
out loss of time or further expense.

For further particulars apply to

J. M. BROWNING,

99 St. James street, Montreal.
