CAMERON & ROSS.

COMMISSION MERCHANTS 413 Commissioners Street, Montreal, are regularly receiving and selling on Commission all kinds of country produce-such as Flour, Grain, Butter, Cheese, Pork, Pot and Pearl Ashes, Leather, Wool, Clover, and Timothy and Flax Seeds; also, purchasing on country account, Dry Goods, Groceries, Hardware, and General Merchandise.

DRY Goods-By this time it was expected that the trade would be equal to the average of other seasons in which the country enjoyed con-iderable prosperity, stocks are large and well assorted— to do not rememher of ever steing the assortment better. Country merchants are for the most part acting very wisely in making their purchases but very sparingly, which will enable them to work off the stocks which they found before replenishing to be sufficiently large, if well enough assorted, to have begun the spring trade with.

BUTTER.-Some sales were made during the week at 11c to 12fc per lb. for medium to good; 13c to 15c per lb., are the prices realised for qualities suitable for city trade. There are orders in the market waiting to be filled as so n as navigation opens, prices may not advance much, but what will be in the market will most likely be cleared out at the then current prices.
Within the last day or two more activity has been

manifested, and a further advance in prices has been stablished in superflue, which has ranged from SS up o \$\$ 30, according to quality,

WHEAT-No sales.

COAUSE GRAINS-Are quiet, and quotations mostly nominal.

SEEDS .- Clover 13c to 14 c per 1b. Timothy, 4c to 4;c per lb. Flax Seed, \$1.60 per 56lbs

The feeling is easier both as regards Clover and

The feeling is easier both as regards Ciover and Timothy.

Facis, 135 to 14c per dezen.

ASHES.—P'ots have declined both in Britain and here, and now range from \$5.70 to \$5.75. I'earls are very scarce, and actively competed for at about \$8.

N.B.-All consignments carefully attended to, all charges as low as is consistent with a view to responsibility. Drafts accepted for two thirds value of consignment, when bill of lading is attached.
