

can extract a little comfort from that fact. We undertook to raise \$100 for the Hospital, and up to date \$91.95 of that sum has been paid. We should like to receive eight more one dollar subscriptions before our next paper comes out, so that the whole \$100 may be sent to Bro. McLean before the Convention meets in Nashville, Oct. 17th.

On Wednesday, the 7th inst., an interesting event took place in the First Methodist Church, Picton. This was the marriage of Miss Louisa Eleanor, youngest daughter of Charles S. Wilson, Esq., of Picton to Wm. Ira Standish, barrister, of Toronto. The church, which was decorated for the occasion, was crowded by interested spectators and wedding guests. The marriage ceremony was performed by Rev. J. F. Ockley, of Toronto. After the marriage a large party of guests enjoyed festive hospitality and glad some exchanges of congratulations till the departure of the happy couple. We tender our cordial congratulations and best wishes to Mr. and Mrs. Standish.—*Christian Guardian*.

Church News.

LONDON, Sept. 26.—Three more have been added to the church by confession and baptism.—T. L. FOWLER.

MOSA.—During the writer's absence some weeks ago, the pulpit here was taken by Bro. B. Merry of St. Thomas. Bro. Merry is a young man of great earnestness and zeal, and is very anxious to fit himself for the ministry. May he have every success. On Sunday evening, the 18th inst., the writer preached for the Free Will Baptists near here. There is a very good feeling between this congregation and our own.—ALEX. MCILWAIN.

TORONTO, Cecil St.—On Sunday, Sept. 18th, Bro. Gillfillan, of Bowmanville, spoke twice to large and interested audiences, and in the afternoon addressed the Sunday school. We were profited and strengthened by his words. On Sunday, Sept. 25th, Bro. Dr. Leonard, of London, preached for us, and spoke at the Y. P. S. C. E. meeting and also to the Sunday school. I think, if the Disciples of Christ throughout the Dominion were filled with the enthusiasm with which the Dr. is running over, the census returns would tell a different tale next time. We hope there will be a large delegation of Disciples at the London C. E. Convention. Cecil St. C. E. intends being well represented, and we want to meet our fellow Endeavorers from all over the Province.

GUELPH.—Sunday being "Children's Day and Flower Sunday," the services of the church were of a special nature. The pulpit and platform were tastefully adorned with bouquets and palms and other potted plants. The effect was beautiful and was much admired by all present. The services both morning and evening were specially adapted for the children. Mr. Fowler's sermons were very appropriate and could not help but be profitable to both children and parents. There was a large attendance of children and some visitors at the Sunday school in the afternoon. As it was flower Sunday no classes were formed. The service was conducted by the superintendent, pastor and some of the other teachers of the Sunday school. The regular evening service was preceded by a service of song by the S. S. scholars. All the services were well attended and appreciated by those present. The bouquets were taken next morning to the General Hospital.—*Guelph Mercury*.

Returns from the Sunday school collections are coming. We have already heard from three schools that did not contribute last year. We hope to hear from all that did help last year.

There was a meeting of the Board of Managers in Guelph, Sept. 16th. All the members save one were present.

As it was the first meeting of the Board since the annual meeting, a number of matters required consideration.

Among other things the following resolution was proposed and carried, and the Cor. Sec. instructed to publish a copy of it in the EVANGELIST:

"That this Board regrets that a misunderstanding exists between the Committee on Young People's Societies and the Board, regarding the work proposed and the money being contributed for mission work in Welland, and is strongly of opinion that it would be in the interest of our missionary effort, that all the funds should be contributed to one treasury and for one purpose, viz., giving assistance to points recommended by the Annual Meeting. But the Board will always be pleased to consult the feelings and wishes of the young people regarding the expenditure of money contributed."

Glancing at the editorial page of a missionary paper, I was struck with the number of needy missions mentioned. The Hebrew mission in Canada, the States and Europe; the French Canadian mission, the Northwest mission; in fact, we know every mission field is calling for workers and money.

Why should this be? Who are failing in their duty?

The majority of church members give generously, yet many mission stations have had to be closed, even when an abundant harvest seemed promised. The liquor bill of the States per year has reached the sum of \$6,000,000,000, and the tobacco bill well up in the millions. The two together are incalculable. This great sum spent on what muddles the brains of the consumers, and makes idiots and maniacs of their children! Contrast with that the \$3,500,000 spent by the States on their home and foreign missions.

I'll venture to say that much the greater portion of money raised for missions is contributed by struggling people. The cause of Christ's kingdom is so near and dear to them, they must give.

Extremes always meet. Neither the very rich nor the very poor are interested in missions; the latter, perhaps, because they do not know about them; the former, because they will not.

A man may occasionally advertise himself by giving \$1000 to some scheme, and the newspapers publish his generosity:

* I am sorry I cannot quote Canadian figures with sufficient accuracy to use them. Two years ago the Canadian liquor bill was \$60,000,000.

OLYMPIA ON THE SOUND.

The above is a splendid and very true sketch of Olympia, the Capital of the wonderful State of Washington, showing the relative position of Olympia Park Addition. OLYMPIA is a growing, thriving young city of over 8,000 people, situated at the head of navigation on Puget Sound; possesses unrivalled transportation facilities, both rail and water; resources great and inexhaustible, such as Lumber, Coal, Iron, Tin, Gold, Silver, etc., etc., and abundance of natural advantages; one of the greatest water powers west of the Mississippi River; a harbor second to none in the world, which floats the largest vessels and is headquarters for a great many steamboats. Olympia's population has more than doubled during the past 18 months, and is growing faster and making more substantial improvements according to her population than any other city in America. OLYMPIA has four railroads, besides these the Great Northern and Union Pacific are now actively engaged in building, and will be running trains into Olympia in a few months. MANUFACTURING INDUSTRIES OF ALL KINDS ARE LOCATING AT OLYMPIA. The combination of unlimited resources and great natural advantages, capital and enterprise pushing Olympia to the front and will keep her there. PUT Any bank or business man of Olympia, Washington, The Merchants National Bank of Seattle, Washington, The Boston National Bank of Seattle, Washington.

OUR GUARANTEE.—To all who purchase lots in Olympia Park we will guarantee a profit of fifty per cent. on the money invested within two years from day of purchase.

Sister Rioch's Departure.

Our sister, Mary Rioch, purposes to devote her life to the spread of the gospel in far-off Japan. She goes out under the auspices of the Christian Woman's Board of Missions for Ontario, assisted by the sisters of the Maritime Provinces. She expects to leave her home on October 3, and sail from San Francisco on the 15th of the same month. It is thought well by your Board of Managers to ask the prayers of the churches on her behalf, and we pray that we, as a sisterhood, may be able to sustain her in her labor of love for the Master in that dark land.

Those of our sisters who were not permitted to attend the Convention held in Bowmanville, when pledges were taken for this work, are invited to assist any time between now and June. We all want to feel that we have an equal share in this work. All money to be sent to our Treasurer, Miss Jennie Fleming, Kilsyth.

JENNIE MALCOLM.

Brown and Hackleman.

Hebron, Ind., U. S., Sept. 19, '92. Editor CANADIAN EVANGELIST, Hamilton, Canada.

DEAR BROTHER:—I write this note to ask you to say to the brethren in the Dominion, that, having secured the services of Bro. Hackleman, formerly of Toronto, as a singer, I am ready for evangelistic work. Of myself, I will only say that I am a graduate of Bethany College, class of '77, and have held some of the most important positions among our people; among them the pastoral charge of Washington, Pa., the early home of the Campbells. Bro. Parsons, of St. Louis, can give you any information you may wish concerning my work.

Just now our churches are unwisely and wrongly postponing their meetings until after the presidential election. Indiana is very deeply interested, since one of the candidates is a citizen of Indiana. One of the candidates for Gov., Bro. Ira J. Chase, has a great hold on our people, so that they are not only willing to interest themselves in politics, but seem willing to lose interest, temporarily at least, in all else.

Until after the election, I prefer to labor where the churches are not politi-

cally disturbed. If, therefore, you can make mention of the desire of Brown and Hackleman to labor in Canada, or elsewhere, you will do us a great favor.

Yours in His name,

S. W. BROWN.

Report of Educational Committee.

Your Committee on Education, appointed a year ago, beg to report as follows:

1. That no lectures were given during the academic year, 1891-2, the chief reason being that we had no students in Toronto University last fall who were studying for the ministry, and therefore your committee did not deem it wise to incur the expense.

2. Through the beneficence of our late Bro. D. A. Sinclair, and Sister Bella Sinclair, we now have an endowment, the interest of which is to be used in defraying the expenses of Biblical instructions for our students. We have reason to believe that we will have several young brethren in attendance at the University the coming academic year. These circumstances, we think, justify us in recommending: (1) That lectures be given during the current year, and if possible in the Michaelmas term; (2) That a continued effort be made to secure the proposed endowment fund of \$20,000, (a) by obtaining subscriptions; (b) by urging our brethren to remember our educational interests liberally in their wills. (3) That our young men be urged to attend the University of Toronto.

JOHN MUNRO,
Chairman.

[Through an oversight this report was not published at the proper time. Its insertion now, however, is opportune, as arrangements are being made for lectures to be given in the near future.—EDITOR.]
