THIS is a preparation for the special use of Druggists and others in making Hot or Cold Soda. It forms the basis for a delicious, refreshing, nourishing, and strengthening drink.

It is perfectly soluble. It is absolutely pure. It is easily made. It possesses the full strength and natural flavor of the cocoa-bean. No chemicals are used in its preparation.

Samples furnished to Druggists on application.

The trade is supplied with one, four, or ten pound decorated canisters . . .
