WE CHALLENGE THE WORLD

to show an Electric Belt where the current is under the control of the patient as completely as this. We can use the same belt on an infant that we would on a giant by simply reducing the number of cells. Ordinary belts are not so. Other belts have been in the market for five or ten years longer, but today there are more Owen Belts manufactured and sold than all other makes combined. The people want the best.

Extracts From Testimonials.

"Your Electric Belt cured a violent attack of Solatic Rheumatism of several months' standing, in eight days."—W. Dixon, sr., Grand Valley, Ont.

"SAVED MY LIFE when I had Muscular Rheumatism."—Mrs. Carroll, West Market Street.

"Am much pleased with belt; it has done me a great deal of good already."—J. Schlingor, Galt, Ont.

"Have been a sufferer for years from Nervous headaches and Neuralgia. After trying one of your belts am more than satisfied with it. Can knock out a headache now in fifteen minutes that used to keep me in bed for days."—Thos Gales, Crawford St., Toronto.

BEWARE OF IMITATIONS.

Our attention having been attracted to base imitations of "The Owen Electric Belt," we desire to warn the public against purchasing worthless productions put upon the market by unprincipled men who, calling themselves electricians, prey upon the unsuspecting by offering worthless imitations of the Genuine Owen Electric Belt that has stood the test of years and has a continental reputation. Our Trade Mark is the portrait of Dr. A. Owen, embossed in gold upon every Belt and Appliance manufactured by The Owen Electric Belt and Appliance Co. None genuine without it.
