The old maxim that an ounce of prevention is worth a pound of cure, will be fully realized by those who make use of Stone's Liquid Cathartic and Family Physic. As it cleanses the blood from all impurity, frees the stomach from bile, produces a healthy action of the liver, and perfectly regulates the bowels; it prevents and cures dysentery, diarrhoea, or cholera, strengthens the whole system and is perfectly agreeable to the taste.—*Lowell Vox Populi.*

**Holloway's Ointment and Pills—Extraordinary Cure of Erysipelas.**—Mrs. Emma Rowcroft, aged 42, of St. Paul's, Minnesota Territory, suffered severely from periodical attacks of erysipelas in the face, to which she appeared to have a constitutional predisposition. In July last she had a return of the complaint, with unusually violent and dangerous symptoms, and under the advice of a friend from New York, obtained a lot of Holloway's Ointment, and applied it according to the directions. The result amazed and delighted the unfortunate sufferer and her family. The inflammatory symptoms subsided; the redness faded in the course of a few days to a yellowish hue, and the cuticle, or scurf skin, on the parts affected, came off in the form of a whitish scurf. A second box completed the cure, leaving neither scar nor blemish on the face. The Pills are as efficacious in subduing internal disease, as the Ointment in removing all external disorders.
