**"LONDON"**  
Brand of  
**Pure Insect Powder**

As the best and most reliable brand in the market, which has given general satisfaction in previous seasons. We continue our policy of supplying a primo powder at the lowest possible price, and considering this to be the best policy in the end, we will rather take a small profit on a pure article than a larger one on an inferior quality.

Having put our prices down to the **lowest possible point**, we can recommend our "London" brand to the trade, and trust it will meet with the same favor as heretofore.

Yours respectfully,

**The London Drug Co.**
